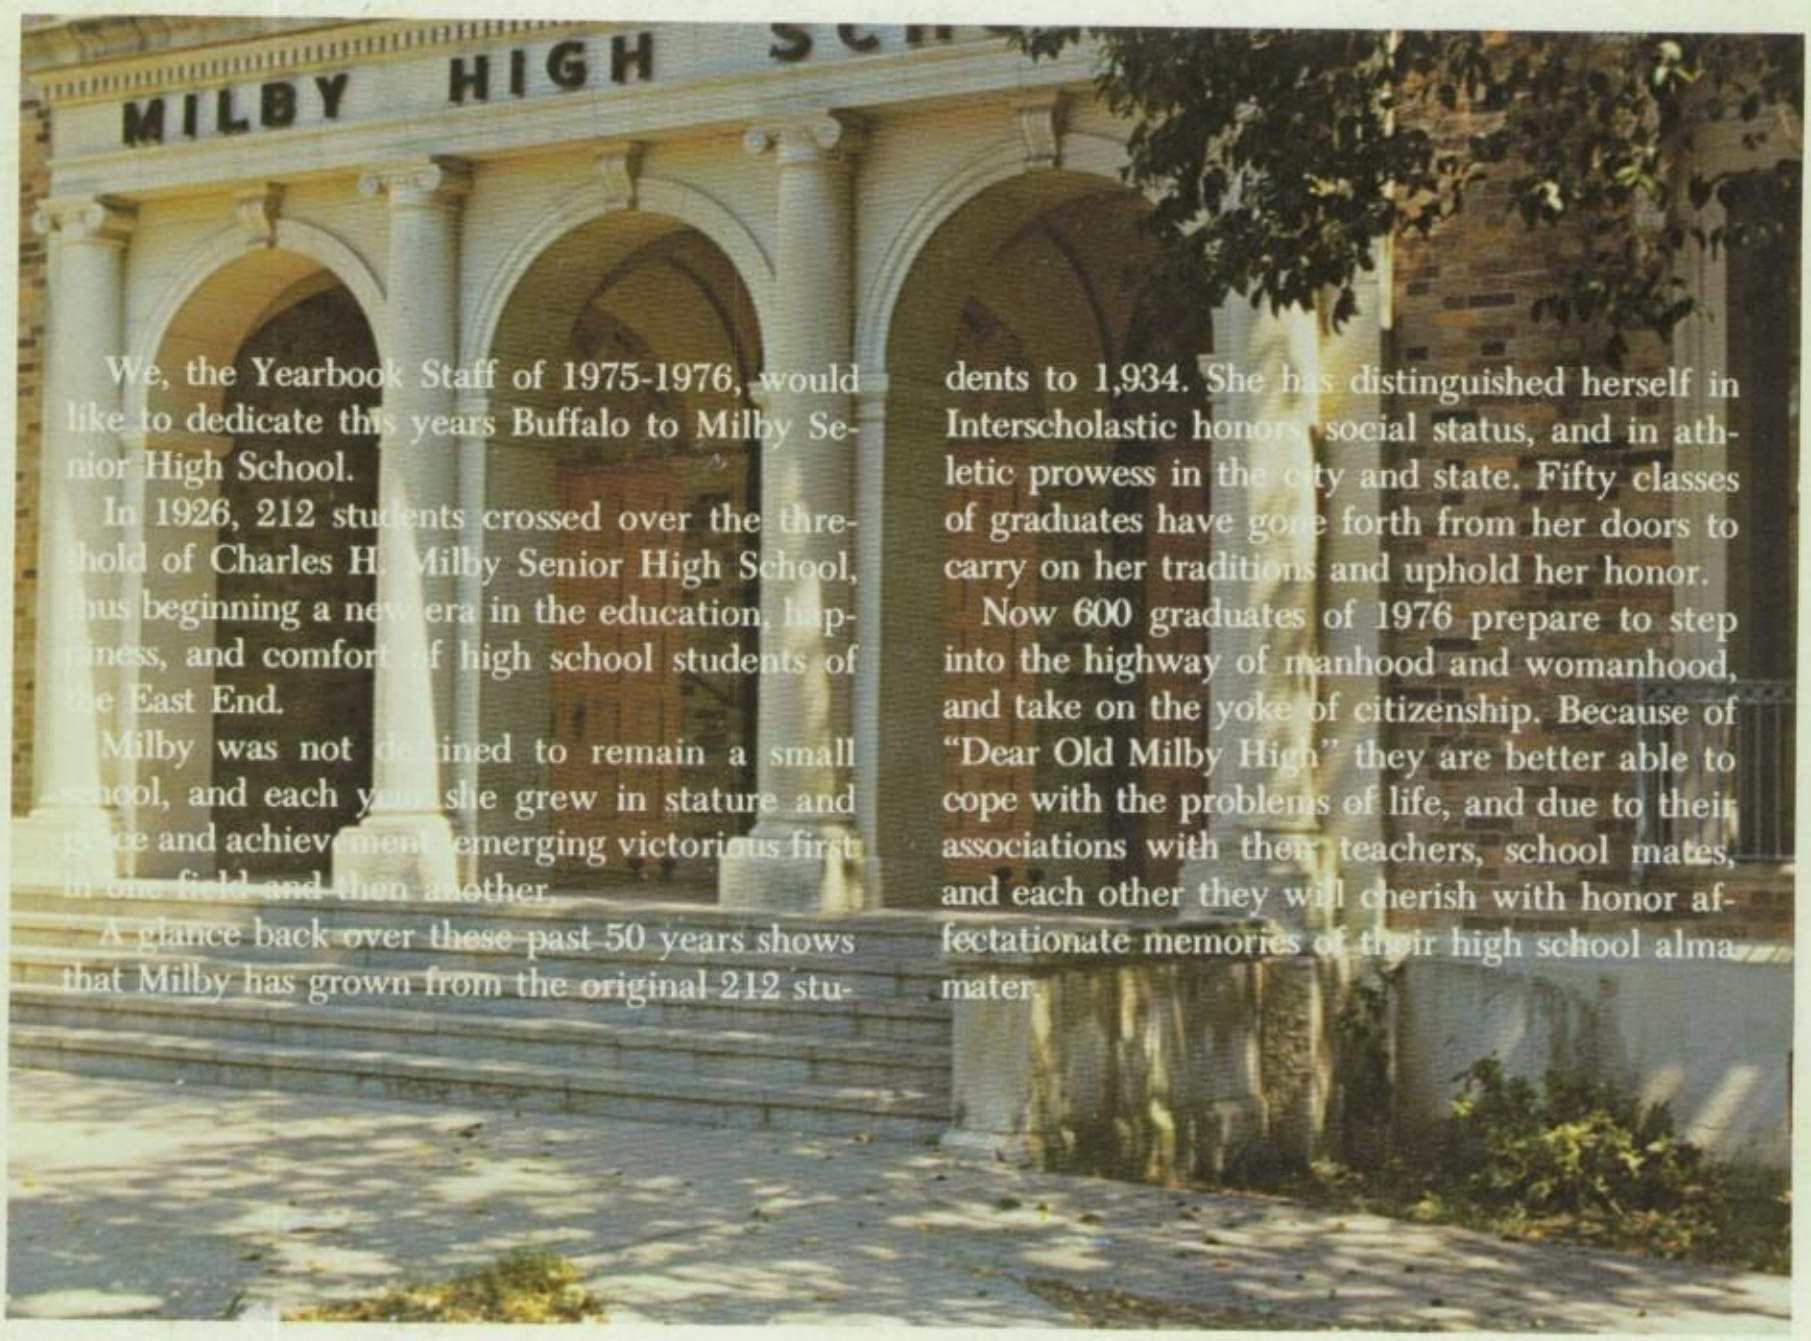
Staff Dedicates the 1976 Buffalo



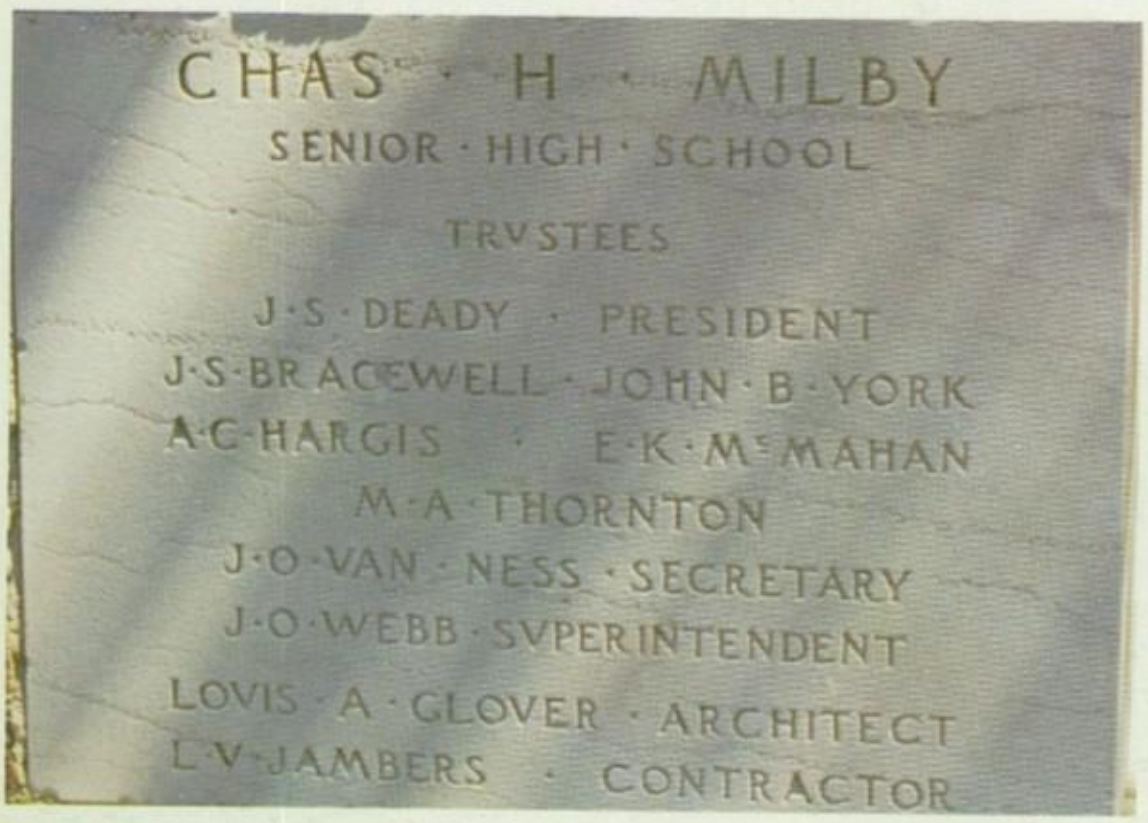
We, the Yearbook Staff of 1975-1976, would like to dedicate this years Buffalo to Milby Senior High School.

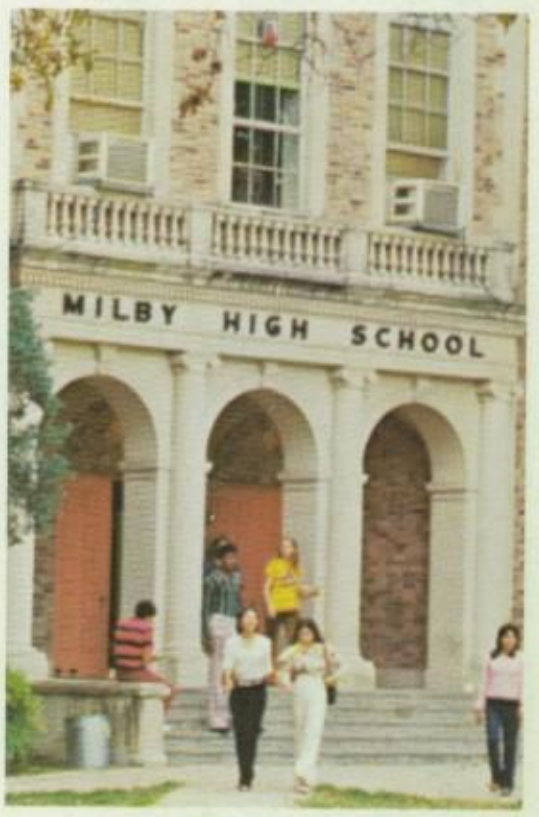
In 1926, 212 students crossed over the threshold of Charles H. Milby Senior High School, thus beginning a new era in the education, happiness, and comfort of high school students of the East End.

Milby was not destined to remain a small school, and each year she grew in stature and grace and achievement, emerging victorious first in one field and then another.

A glance back over these past 50 years shows that Milby has grown from the original 212 students to 1,934. She has distinguished herself in Interscholastic honors, social status, and in athletic prowess in the city and state. Fifty classes of graduates have gone forth from her doors to carry on her traditions and uphold her honor.

Now 600 graduates of 1976 prepare to step into the highway of manhood and womanhood, and take on the yoke of citizenship. Because of "Dear Old Milby High" they are better able to cope with the problems of life, and due to their associations with their teachers, school mates, and each other they will cherish with honor affectationate memories of their high school alma mater.





The History Of Milby

On March 28, 1926, Charles H. Milby Senior High School opened its doors for the first time to 212 students and 13 teachers. They all walked down Broadway from the Harrisburg School to the site of the new Milby High School, 1601 Broadway.

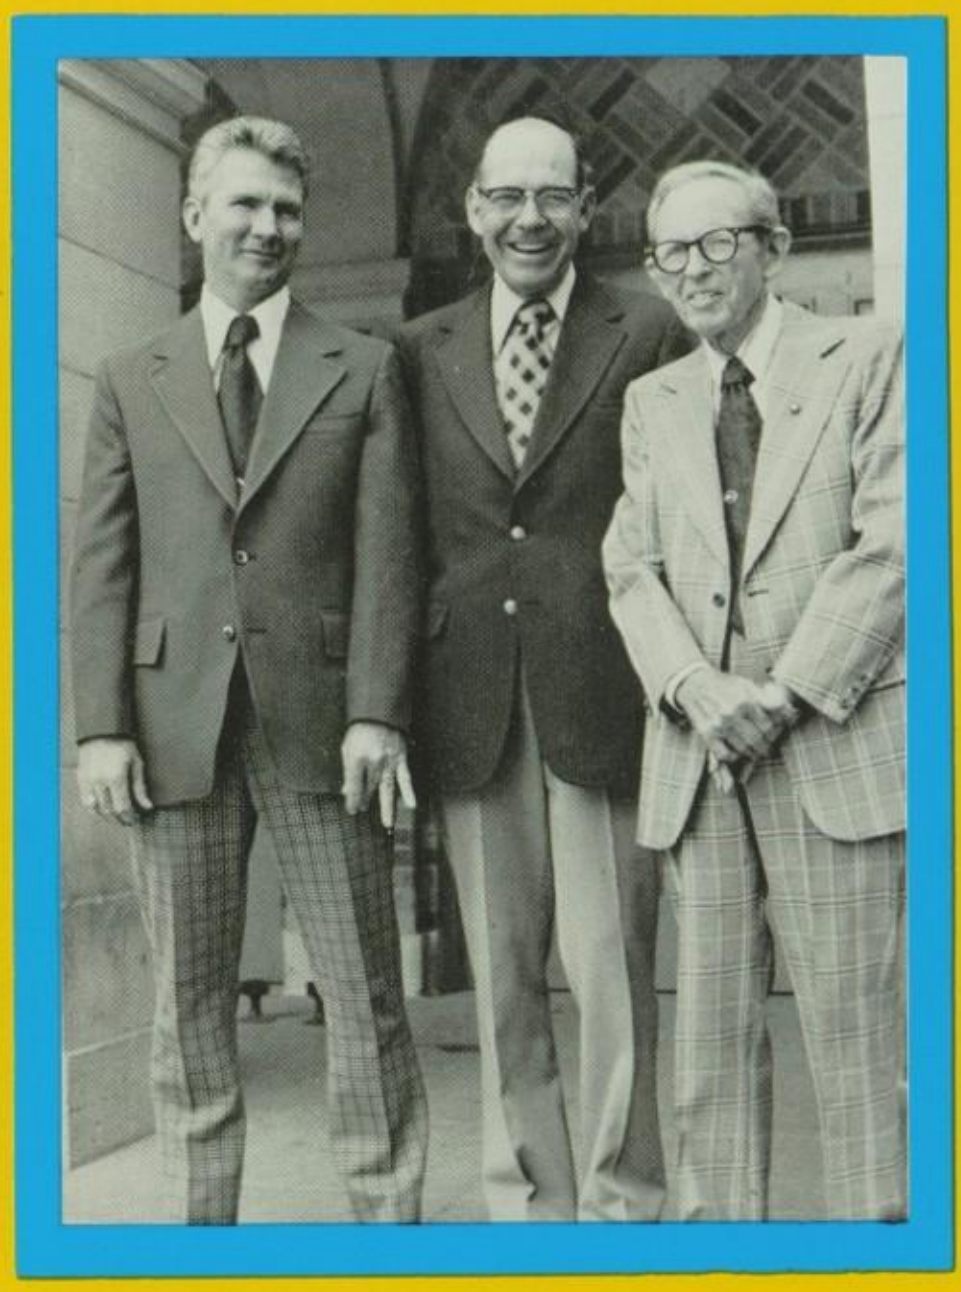
The school was named after Charles H. Milby who was a very prominent man and served his community in many official capacities. It was felt, after a great deal of controversy, that his contributions to his community entitled him to such an honor as this.

The Coat of Arms of Milby High School was designed by the school's first principal, W.J. Stevenson. It is used as the official seal of the school and appears on official documents of Milby. A buffalo, the school mascot, is elevated on a platform supported by 3 columns entitled "wisdom", "loyality", and "duty". The buffalo was selected as the school mascot because of the school's proximity to Buffalo Bayou. The school song, "Fair Milby", was written by Mr. Eugene Seastrand, one of our English teachers. The song, "Charlie Buffalo" was written for the 1961 Milby Cheerleaders.

In the summer of 1925, Mr. W.J. Stevenson was employed as the first principal of Milby and served in this position for thirty-five years. At the time of his retirement, Mr. Bascom Bayless became the new principal and served the school for the next eleven years. Milby's principal of the last five years has been Mr. Claude H. Brinkley, Jr. another important leader of our school.

There have been many changes in our school from 1926-1976, such as the overall numbers of students, teaching staff, and graduating seniors. The number of students that attended Milby in 1926 was 212, while the present day total is 1,934. There were only 13 teachers teaching the Milby students and now there is a total of 85. The class of graduating seniors in 1926 was 35. The total has now increased to approximately 600.

Through the past 50 years many outstanding citizens have emerged from our great school and we know there will be many more in the years to come.



50 YEARS AND ONLY

Charlie Buffalo

Charlie Buffalo, you're my guy.
Charlie Buffalo, how I sigh
When I see a Romeo in gold and blue,
Charlie Buffalo, it's you.
I'm a Buffalo from the zoo.
I'm a Buffalo tried and true.
My Ma was a Buffalo, My Pa was too.
So I'm a Buffalo—MOO-MOO.

Fair Milby

Oh, Milby, fair Milby, your sun shall ever rise in glory and beauty throughout our Texas skies. Together we'll honor and praise your noble name and *FIGHT*. For those golden Buffaloes thundering o'er the plains.

Milby Changes In Time

In 50 years has Milby changed? We would like to take you back with a few quick glances to compare how it was then and how it is now.

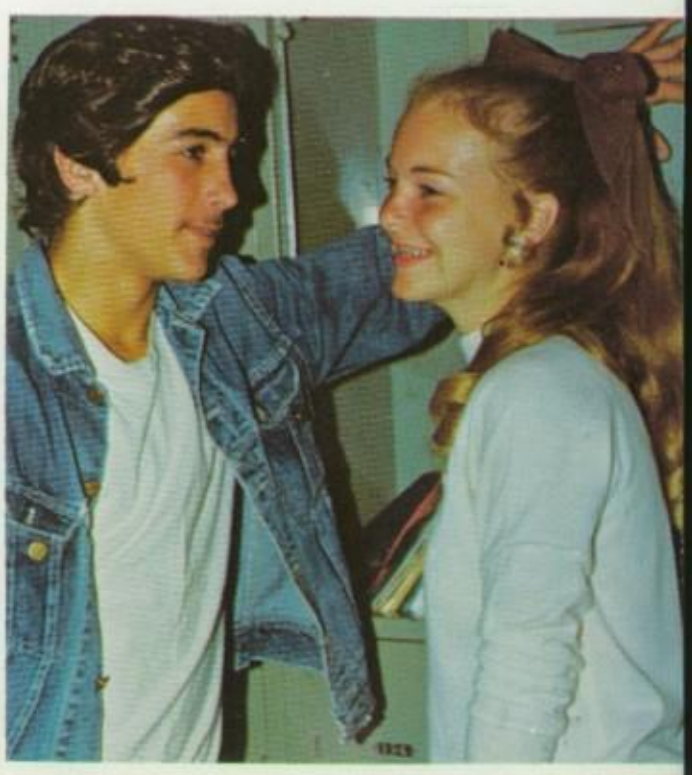
There have been dramatic changes in the dress code, hair styles, and types of cars. Can you imagine what would have happened and what would have been said if a young lady would have worn slacks to school or a guy with long hair and sandals in 1926 or how about in 1956? Teachers haven't changed very much, they still give lots of homework but we would like to quote from the 1926 Buffalo: "Good teachers cannot be secured on poor salaries." During the last two years, salaries have increased for high school teachers. It increased from $125.00 to $150.00 and $160.00.

How about one of the celebrated jokes in the 1926 Buffalo:

"You should have seen Lizzie dance the Charleston last night."

"Dance nothing! She was just standing there watching, and a June bug fell down her back."

Well Maybe we have changed just a little in our life style, but our student body has much to be proud of in the past and much more to hope for and expect in the future.



Milby Has Traditions

In 1926 Mrs. Davis organized the first pep squad of Milby. A few years later, Mr. Glen Stanbaugh and Major George Bronson organized a pep squad of both girls and boys. Just imagine! the boys wore sateen shirts and one side gold and the other blue. Some class Huh? Mrs. Fannie Davis helped select the Coeds name and dress which was a military style coat of royal blue and a white skirt with white oxfords. Well we sure wouldn't want to leave out our dazzling Yell leaders of the past with their bobbie socks and our guys having the latest hair style the crew cut or duck tail. Our traditions are deep set into our school life at Milby; beauty contests, most popular, Winter Whirl, senior skip day, N.H.S. carnival, homecoming, pep rallies, football games, and all the special events of each year. Milby is spelled *S-P-I-R-I-T* reinforced through traditions and a warm and loving student body who are always supported by faculty and parents.

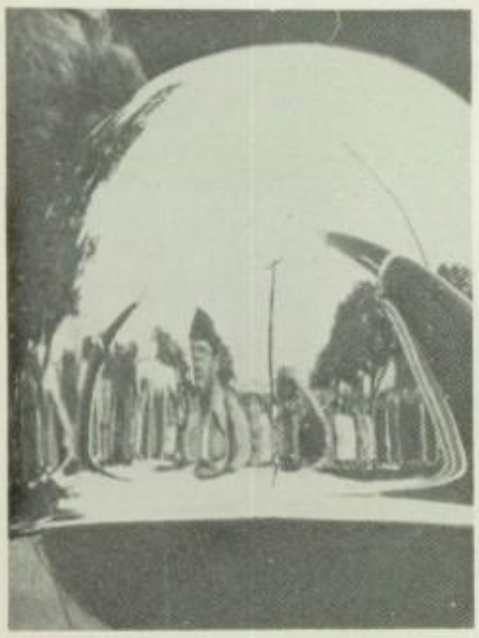
I Am An American

My forefathers were America in the making:
They spoke in her council halls;
They died on her battlefields;
They commanded her ships;
They cleared her forests.
Dawns reddened and paled.
Stanch hearts of mine beat fast at each new
star
In the nation's flag.
Keen eyes of mine foresaw her greater glory:
The sweep of her seas,
The plenty of her plains,
The man-hives in her billion-wired cities.
Every drop of blood in me holds a heritage
of patriotism.
I am proud of my past.
I am an American.



Just A Piece Of Cloth

That's all it is—just a piece of cloth. You can count the threads in it and it's no different from any other piece of cloth. But a little breeze comes along, and it stirs and snaps in the wind, all red and white and blue. Then you realize that no other piece of cloth could be like it.

It has your whole life wrapped up in it: The meals you are going to eat; the time you are going to spend with your friends; the kind of things your boy or girl will learn at school; those strange and wonderful thoughts you get inside a church on the Sabbath.

Those stars in it—they make you feel just as free as a star in the wide, deep night. And those stripes—they are bars of blood to any dictator who would try to change it.

Just a piece of cloth—that's all it is—until you put your soul into it and give it meaning—until we make it stand for everything we believe in and refuse to live without.

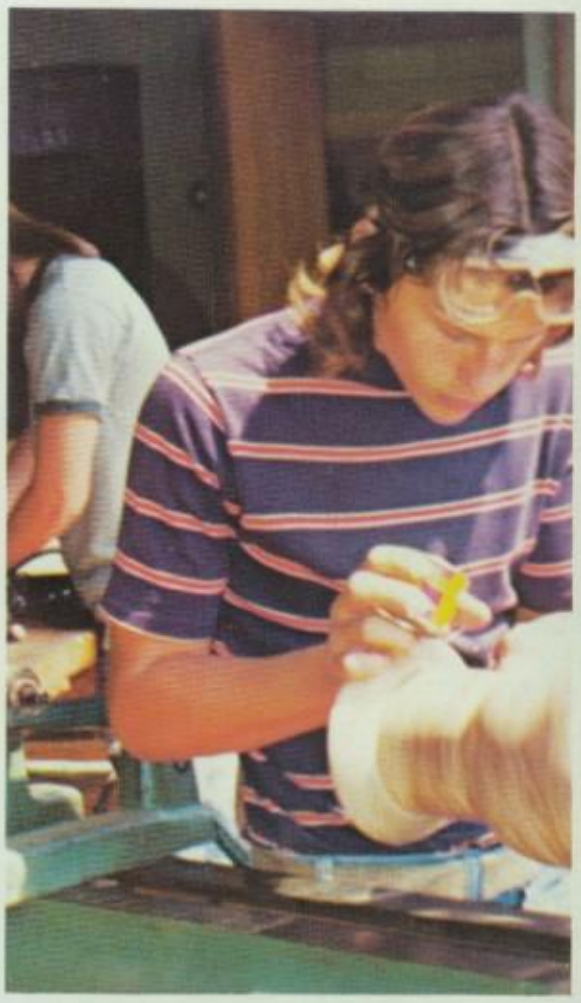
TEXAS

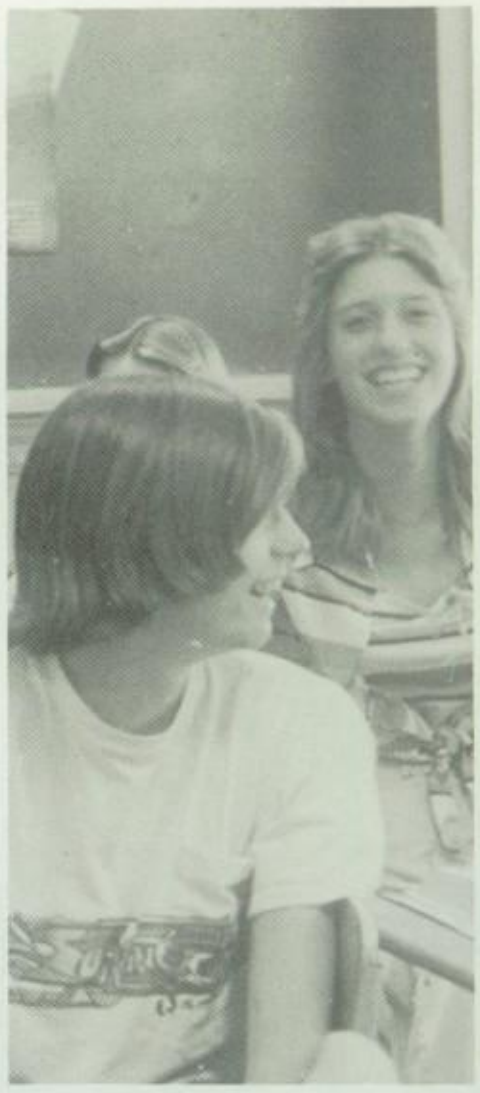
Education is a better safeguard of liberty than a standing army.

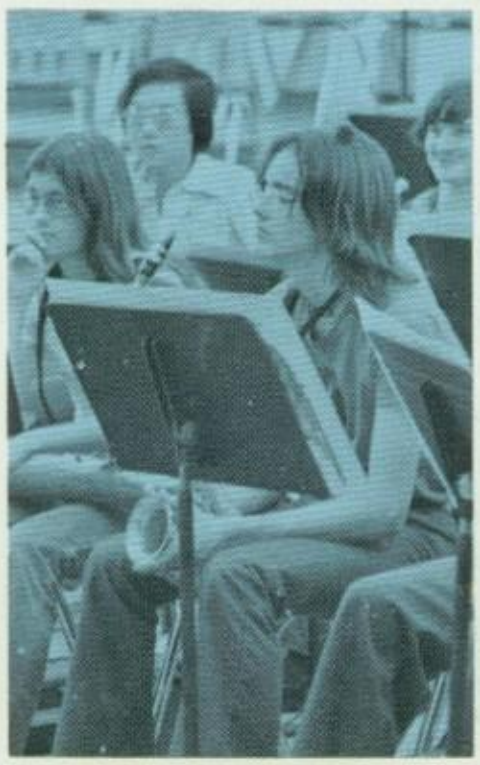


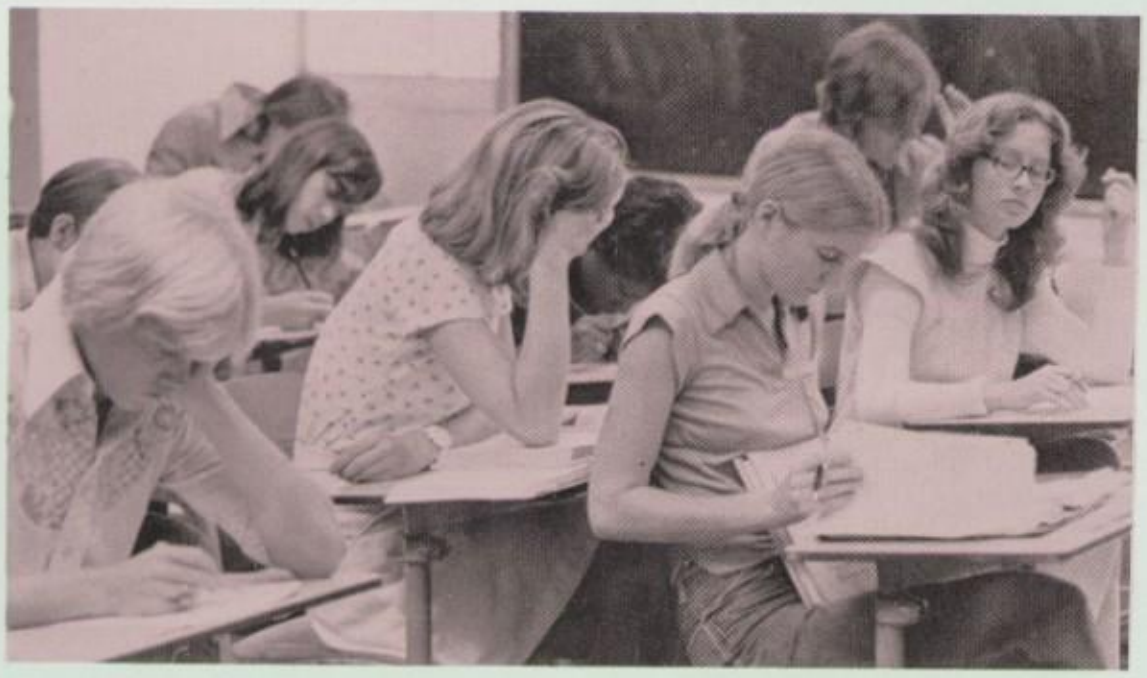
Well, the students at Milby faced some interesting changes this year. The controversy over fees being paid by the district and our pilot program for voluntary integration in our Magnet school of Petroleum Engineering. Most of our students were disturbed by the change in the final exam exemption even though we will all suffer through it since we have no choice. But all of us are fortunate in having a faculty and administration who work for the best interest of each pupil. All our students are offered varied programs in electives, academic college bound and vocational training subjects. Each of our student body can receive the education best suited for them to become useful citizens in America. "To be an American is of itself almost a moral condition, an education, and a career."

George Santayance

The classroom should be an entrance to the world, not an escape from it.

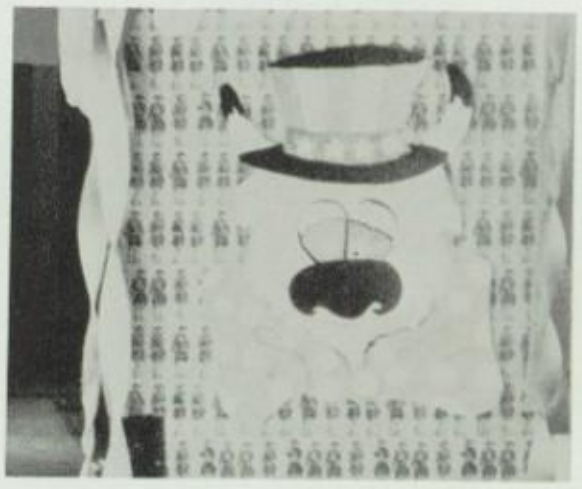






Milby's got that spirit of '76

Not in brick or stone, not in wall or turret, not in land or gold is found the spirit of a school; but in the free laughter of happy social groups; in the gay camaraderie of classmates and friends; in the high faith of optimistic youth; in the warm reverence for home and school; in the fair competition for success in athletic prowess, military honors, forensic fame or scholarly attainment—it is through these manifestations of the reaching soul that true school spirit is revealed. To this the Milby Spirit is revealed.



Milby is a symbol of school spirit—We Are Americans

The most active students at a school are always the ones that are in organizations. Here we have the most spirited kids at Milby. Our band provides excellent sounding, currently hit, enjoyable tunes with lots of "soul". The cheerleaders yell the team on to its many victories, strongly supported by the pep squad's shouting and the drill team's voices. Halftime shows were shared by four of the organizations this year, the G.B.C.'s performing pom shows, the Coeds drilling precision routines, the Band with their music and marching, and the Pep Band with their snappy music. Many thanks to you students from all of us for all the support you have given the past nine months.

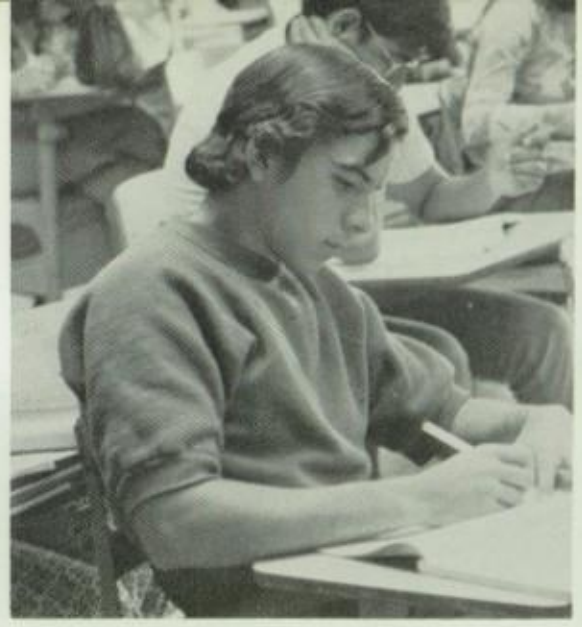
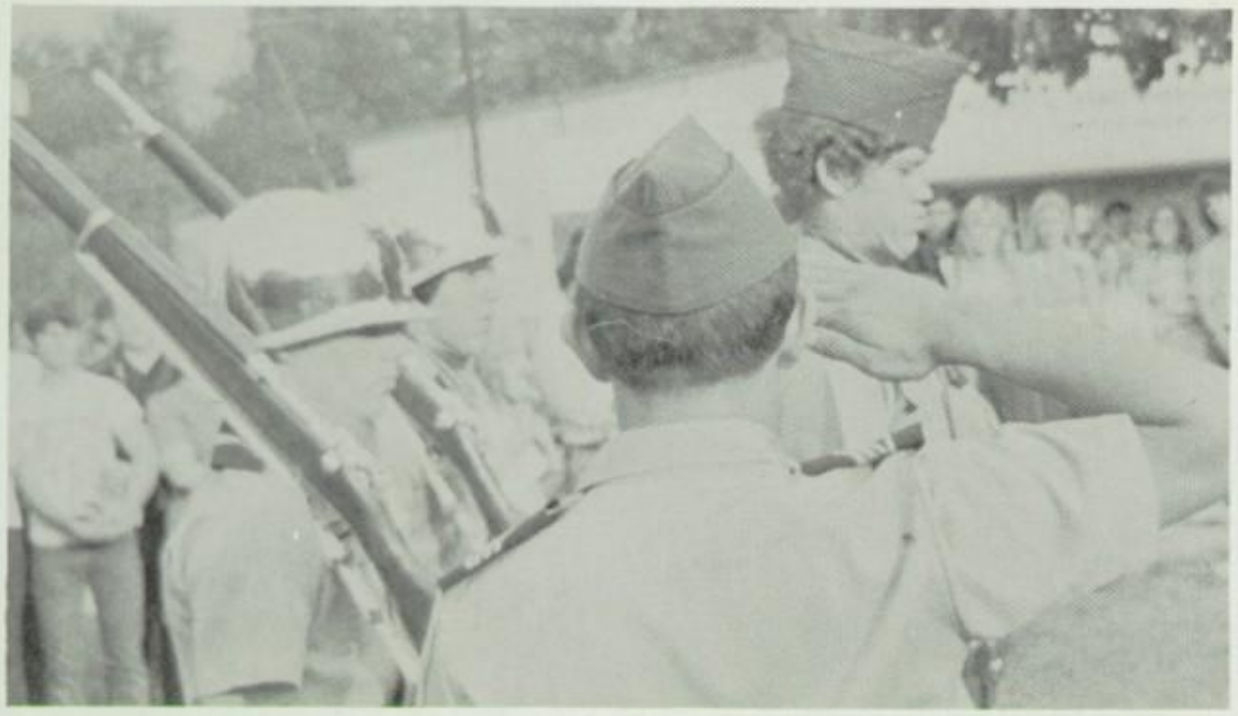
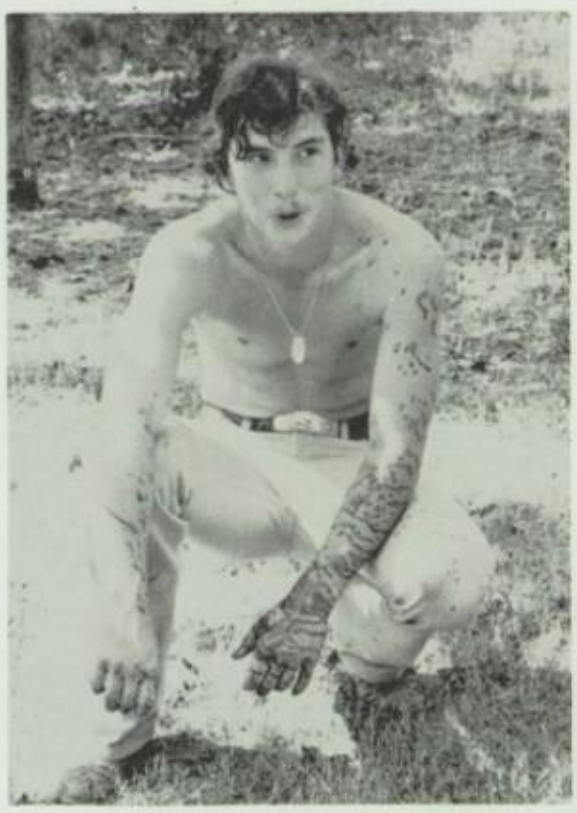
CAGE
THE
CARDINALS!

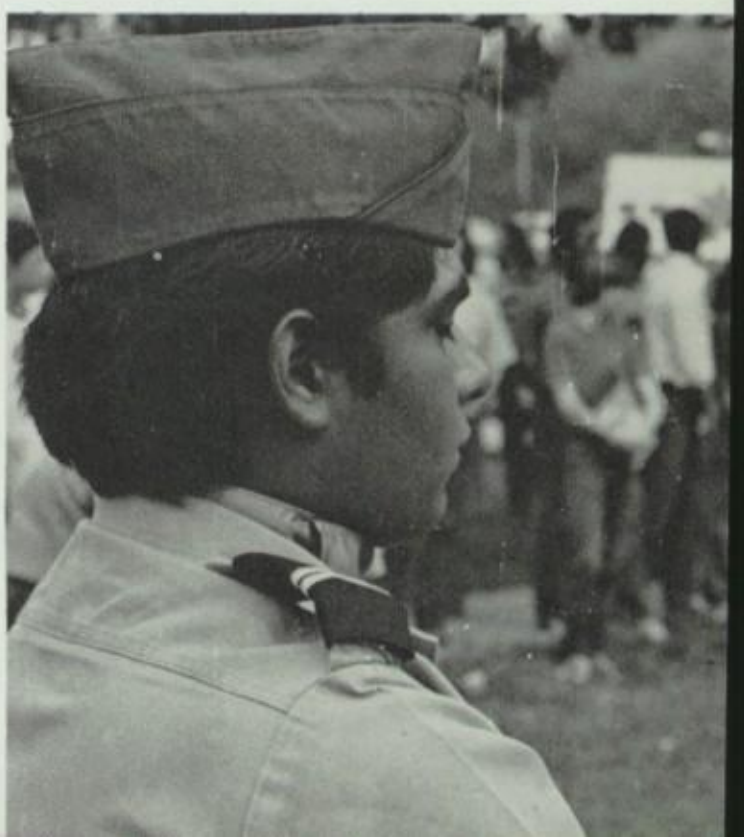
I love America despite the present troubles because free men can cure them.



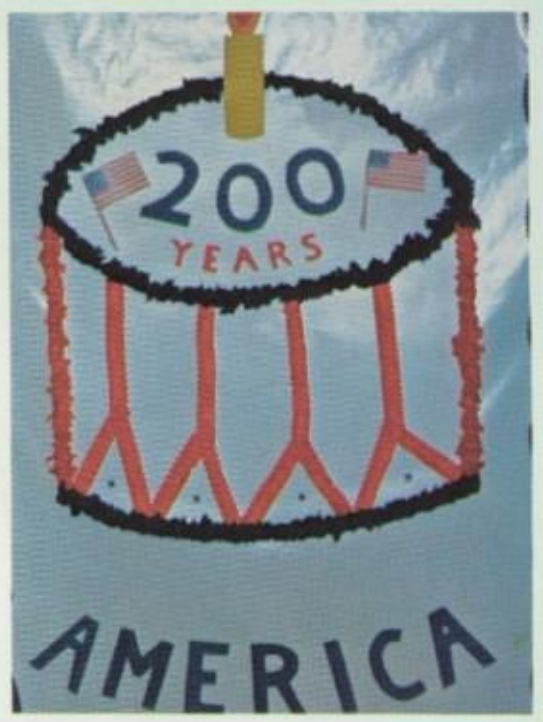


Did America have its problems? The Boston Massacre, the Stamp Act, the Shot Heard Around The World, ringing of the Liberty Bell in '76 and more problems to come; Spanish American War, child labor, World War I, crash of the stock market, World War II, Korean War, rampid inflation, Viet Nam, Recession. Now we have facing us fuel shortages, C.I.A. investigation, F.B.I. investigation, assassins, resignation of officials, wire taps, and exposures of discrepanices in government. No one man or no one event will destroy our America, built on blood stained battle fields and adventurous people who will always overcome a challenge; opening freedom and democracy to oppressed countries. We will surmount all our problems today so we will continue to be pioneers to accept new challenges of tomorrow.





But when we speak them we speak them softly, proudly, gratefully:
I am an American



I am an American.
My father belongs to the Sons of the Revolution;
My mother, to the Colonial Dames.
One of my ancestors pitched tea overboard in Boston Harbor;
Another stood his ground with Warren;
Another hungered with Washington at Valley Forge.
My forefathers were America in the making:
They spoke in her council halls;
They died on her battlefields;
They commanded her ships;
They cleared her forests.
Dawns reddened and paled.
Stanch hearts of mine beat fast at each new star
In the nation's flag.
Keen eyes of mine foresaw her greater glory:
The sweep of her seas,
The plenty of her plains,
The man-hives in her billion-wired cities.
Every drop of blood in me holds a heritage of patriotism.
I am proud of my past.
I am an American.

Born in America

The beauty of democracy is that you never can tell when a youngster is born what he is going to do with you, and that, no matter how humbly he is born, he has got a chance to master the minds and lead the imaginations of the whole country.

The students learn military background, how to speak in front of a group of people as well as teaching a class. The R.O.T.C. participates in physical training as well as marching skills. The students learn respect, discipline and common courtesy at all times.

The R.O.T.C. is very proud to say that we have the first all girl Color Guard that Milby has ever had. The Benefits in R.O.T.C. are very rewarding, such as scholarships and army benefits. As accomplishments the Rifle Team won district this year and is undefeated. The Drill Team has attended every competition this year and the Milby R.O.T.C. is now 10 points away from first place.

The activities in R.O.T.C. consist of Drill Team practices, Drum and Bugle Corps practice, competitions, and a few parties. The boys Drill Team practices for one and a half hours before school four days a week. The girls Drill Team practices everyday before and after school. The Color Guard put up the flags each day for the school and takes care of them.

With our Nation's 200th Birthday just around the corner, a Bicentennial Committee was formed to promote enthusiasm within the student body. The committee kept the students busy with frequent Red, White and Blue days. Some of their many projects included a Veterans Day program with State Representative Gene Jones, a door decorating contest, and a Bicentennial film presentation in January.

A nation which does not remember what is was yesterday, does not know what it is today, nor what it is trying to do. We are trying to do a futile thing if we do not know where we came from or what we have been about. Woodrow Wilson

Girls Booster Club

As soon as school began in September, the Girls' Booster Club began organizing Buffalo spirit. The Milby student body enjoyed the Halloween Dance on October 31st hosted by the G.B.C.'s. The girls' efforts were motivated toward making plans for Winter Whirl early in the year. The date was set for December 20th, and was held in the Houston Room of the University of Houston. During the year the G.B.C.'s took part in cake sales, bottle drives, and car washes to raise money. The G.B.C.'s also hosted the Basketball Banquet, a Sweetheart Dance and a Bisonette Buffet. And there was the Special trip to the Bahamas for the Seniors during Easter vacation.

Milby Coed Cadettes

Over the past year the Milby Coed Cadettes have made many changes. Mrs. Mock, their director is accredited with heading and supporting the drill team toward these changes. Changing to an all dance drill team required courage and patience. Through extended efforts on all involved in Coeds, the turnover was made. The student body of Milby has always admired the Coeds but after this change the students of Charles H. Milby can hold pride and esteem in their hearts as the Coeds march across the field. The Coeds attended a drill camp from July 6th-July 11th where they won a 1st place trophy and four blue ribbons. They have received an invitation to perform in the Astrodome in July at the High School All-Star Game. During the Easter holidays the seniors are going to the Bahamas for four days.

1976 Buffalo Staff

Buffalo Staff

The 1976 Buffalo Staff was organized last spring when students applied for positions and were screened by the sponsor, "Master" Stephens. We all thought it would be an easy class, but after the first day we realized how wrong we were. Deadlines came all too soon and there were still pictures to be cropped and layouts to be drawn. Some 1800 class pictures had to be sorted and labled, if we could decipher the students handwriting. Student photographers were seen all over the school clicking candids so the staff could pick out the perfect picture for every page. (they printed over 2,000 prints) Despite heartaches and tears, misplaced pictures and lost grease pencils the pages slowly fell into place. Though the work was hard we found ourselves looking forward to third period. We hope each student can find a special memory in the 1976 Buffalo.

Preseason Highlights

Although this football season was not the greatest, the athletes who played were. The 1975-76 football team fought with strong determination. Each and every player gave their all, even if they won or lost; showing their great spirit and loyalty. With this thought in mind the 75-76 football season is being dedicated to the graduating senior players and to all who were injured while playing.

Terry Elliott

"In working with clubs and organizations, I have not only learned how to cooperate with others, but I have made new friends and taken on responsibilities."

There are many qualities that a person must have to be admired and respected by his peers, and Terry has them all. Terry is not only one of the most popular guys at Milby, but his service to the school is almost endless. He was elected President of the Senior Class in which his job of planning the senior prom began early in the year. He is President of the Key Club, and was Treasurer of Interact during his junior year. Terry has played football for Milby in which he received the Paul Gammage Award for outstanding linesman. He is a member of the Lettermen's Club and Fellowship of Christian Athletes. He served on the Yearbook Staff as photographer for two years, and participated in Student Council. He was Most Handsome Sophomore and received the honor of Most Popular Junior. The Senior Class acknowledges and appreciates Terry's outstanding service to the school.

Zana Skinner

"By meeting the different people in these organizations, I have made more friends, learned to accept different opinions, and have become more open minded."

With patience and understanding, Zana led the Coeds through their first year as an all drill team. Even though the responsibility of being the top officer in Coeds consumed much of her time, Zana was still active in many other clubs. She was a member of National Honor Society, Student Council, English Honor Society, Interact, Spanish Honor Society and Modern Dance. Zana is also Treasurer of the Slide Rule Club. She was elected Lettermen's Club Sweetheart and an American Legion Award winner. Zana is graduating this year in the top 10% of the Senior Class.

Sherry Hunsucker

"You have to resume responsibilities yourself to really become a part of a club or organization."

As usual Sherry can be seen with her friendly smile and perky personality making posters for an upcoming pep rally or yelling for our team at one of the games. Much of Sherry's time during her last two years at Milby was spent on cheerleading. Sherry also participated in Student Council, Modern Dance, and Tri-Hi-Y. She is an honorary Coed and a Senior Class Representative. In her Sophomore year she was Most Beautiful Runner-up, and during her Senior year she was chosen as a Kaleidoscope Cutie, and honored by the basketball team as their Sweetheart.

Paula Madden

"I feel that I can truly say that I have learned the meaning of sportsmanship, character, scholarship, and service."

Overseeing the making of a 384 page yearbook was the job of Paula Madden this year. Besides being Editor-in-Chief of the Buffalo, Paula participates in many other school activities. She is Sgt.-at-Arms of the Senior Class and is President of the French Honor Society. She is a member of the National Honor Society, Student Council, Jr. Red Cross and Youth for Christ. She is Treasurer of the French club, a member of Beta Kappa Chi and played on the girls volleyball team, in which she received two letters. Paula is also a top 10% graduate.

David Yeager

"I believe the mind plays a major role in accomplishing the goals that people set."

Although David is active in many clubs at Milby, his first love is football. He has played Varsity Football the past two years and served as captain of the team. He is an All-District player and received the Doug Slaughter Award. David is active in Track, and is a member of the English Honor Society and Student Council. He is Vice President of the Lettermen's Club and participates in the Fellowship of Christian Athletes. David is an American Legion Award winner and a top 10% graduate.

Laura Ferguson

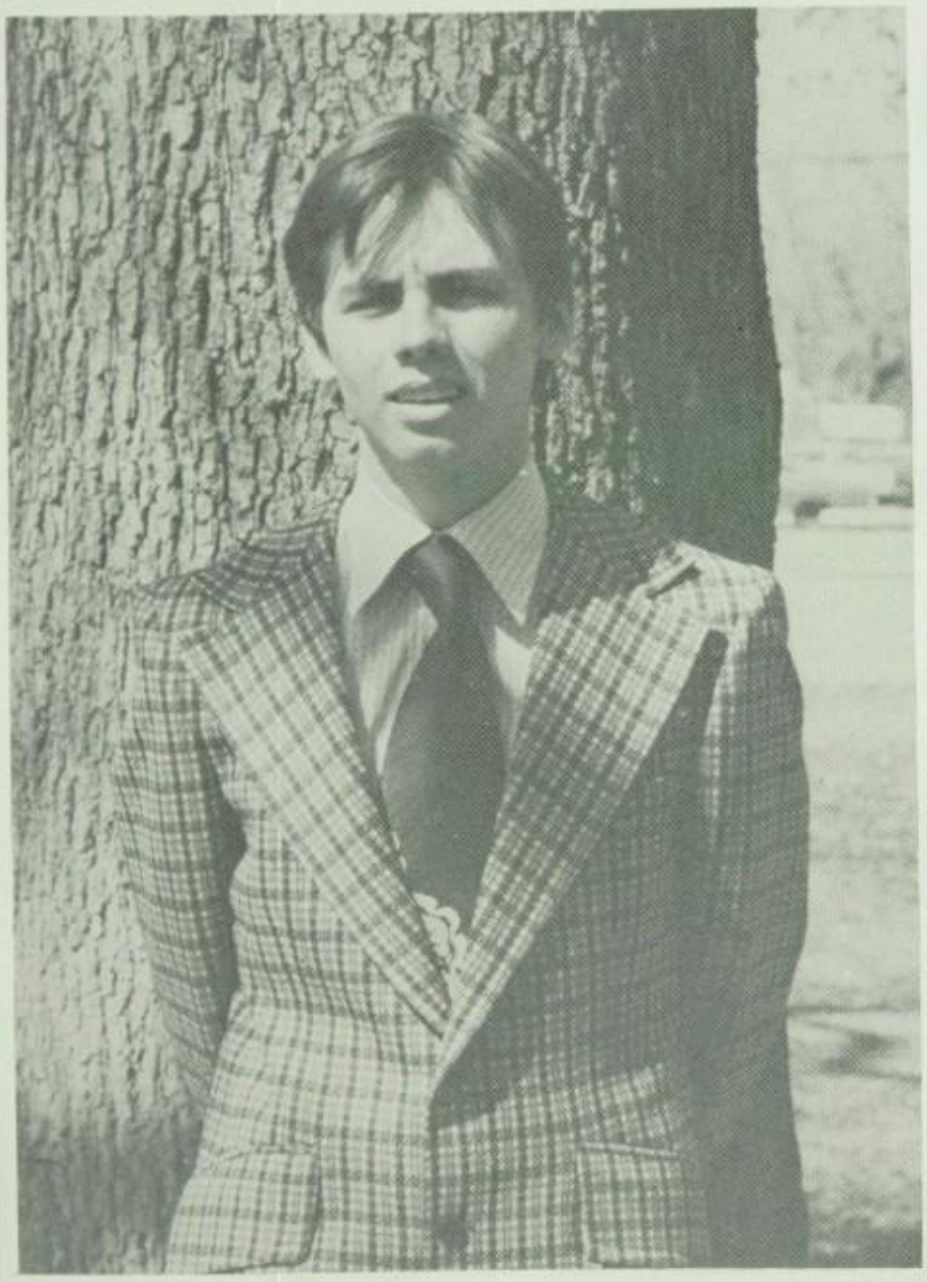
"I have learned to coordinate the talents of myself and those of others, hopefully for the benefit of all involved."

Laura is looked up to and admired by her fellow students, and with her realistic and factual mannerisms she directs the Student Council in its parliamentary procedures. She is also President of the National Honor Society, Vice President of the Spanish Club, and Secretary of the Beta Kappa Chi and the Spanish Honor Society. She also participates in English Honor Society, Youth For Christ, Mu Alpha Theta, Lamda Sigma Alpha and is a member of the Math Team. She has won numerous awards including the National Merit Commended Student and is in the Who's Who Among American High School Students. Laura is graduating ranked in a number one position in the Senior Class.

Summer Camp

"I have realized that in order to function properly, a club or organization must work together toward their goals."

With a name like Summer Winter Camp, you know she's special. Summer is very active in the Buff Band in which she is Chaplain. She has won medals for Solo and Ensemble music, and was chosen Band Sweetheart. Summer also participates in Student Council and the Slide Rule Club. She plays on the Milby Tennis team and received a certificate for Outstanding Player on the National Junior Tennis League. Summer has also won a medal and trophy in this sport.



Stephen Barret

"I have learned, probably the hard way, how absolute time is and how it controls everything we achieve."

It has been the responsibility of Stephen this school year to see that the demands and opinions of the students be heard. Besides being the President of the Student Council, Stephen is also the Senior Director of the National Honor Society. Other clubs in which he participated in were Mu Alpha Theta, Beta Kappa Chi, English Honor Society, German Club, and German Honor Society. Stephen is in the National Thespian League, and is a member of Blackfriars, and the Golf Team. Stephen is a top 5% graduate.

Terri Barziza

"School clubs and organizations are a vital part of the development of personal attributes of any participating student."

Terri is one to always argue a point, but it is always in a debate contest representing Milby. She has won numerous honors including three first place awards in debate. She is President of the National Forensic League and received the NFL Degree of Distinction. Terri is 2nd Lt. Librarian in the Buff Band and a member of Student Council. She participates in many other organizations including: Mu Alpha Theta, National Honor Society, Beta Kappa Chi, English Honor Society, Spanish Club, Spanish Honor Society and the Psychology Club. Terri is in the Who's Who Among American High School Students and a top 5% graduate.

Stephen Sauls

"My participation in clubs and organizations has taught me how to work on a team and how to follow a leader."

Stephen with his warm smile and long stride can be seen scoring two more points for Milby's basketball team. Besides being a star basketball player for Milby, Stephen is Secretary of both the Lettermen's Club and Fellowship of Christian Athletes. He is a member of the Key Club and a Senior Class Representative. He was runner-up for Most Handsome in both his Sophomore and Junior year. In his first year here at Milby, Stephen received the honor of Most Popular Sophomore. Because of his friendly and outgoing personality, Stephen is well-liked by all who know him.

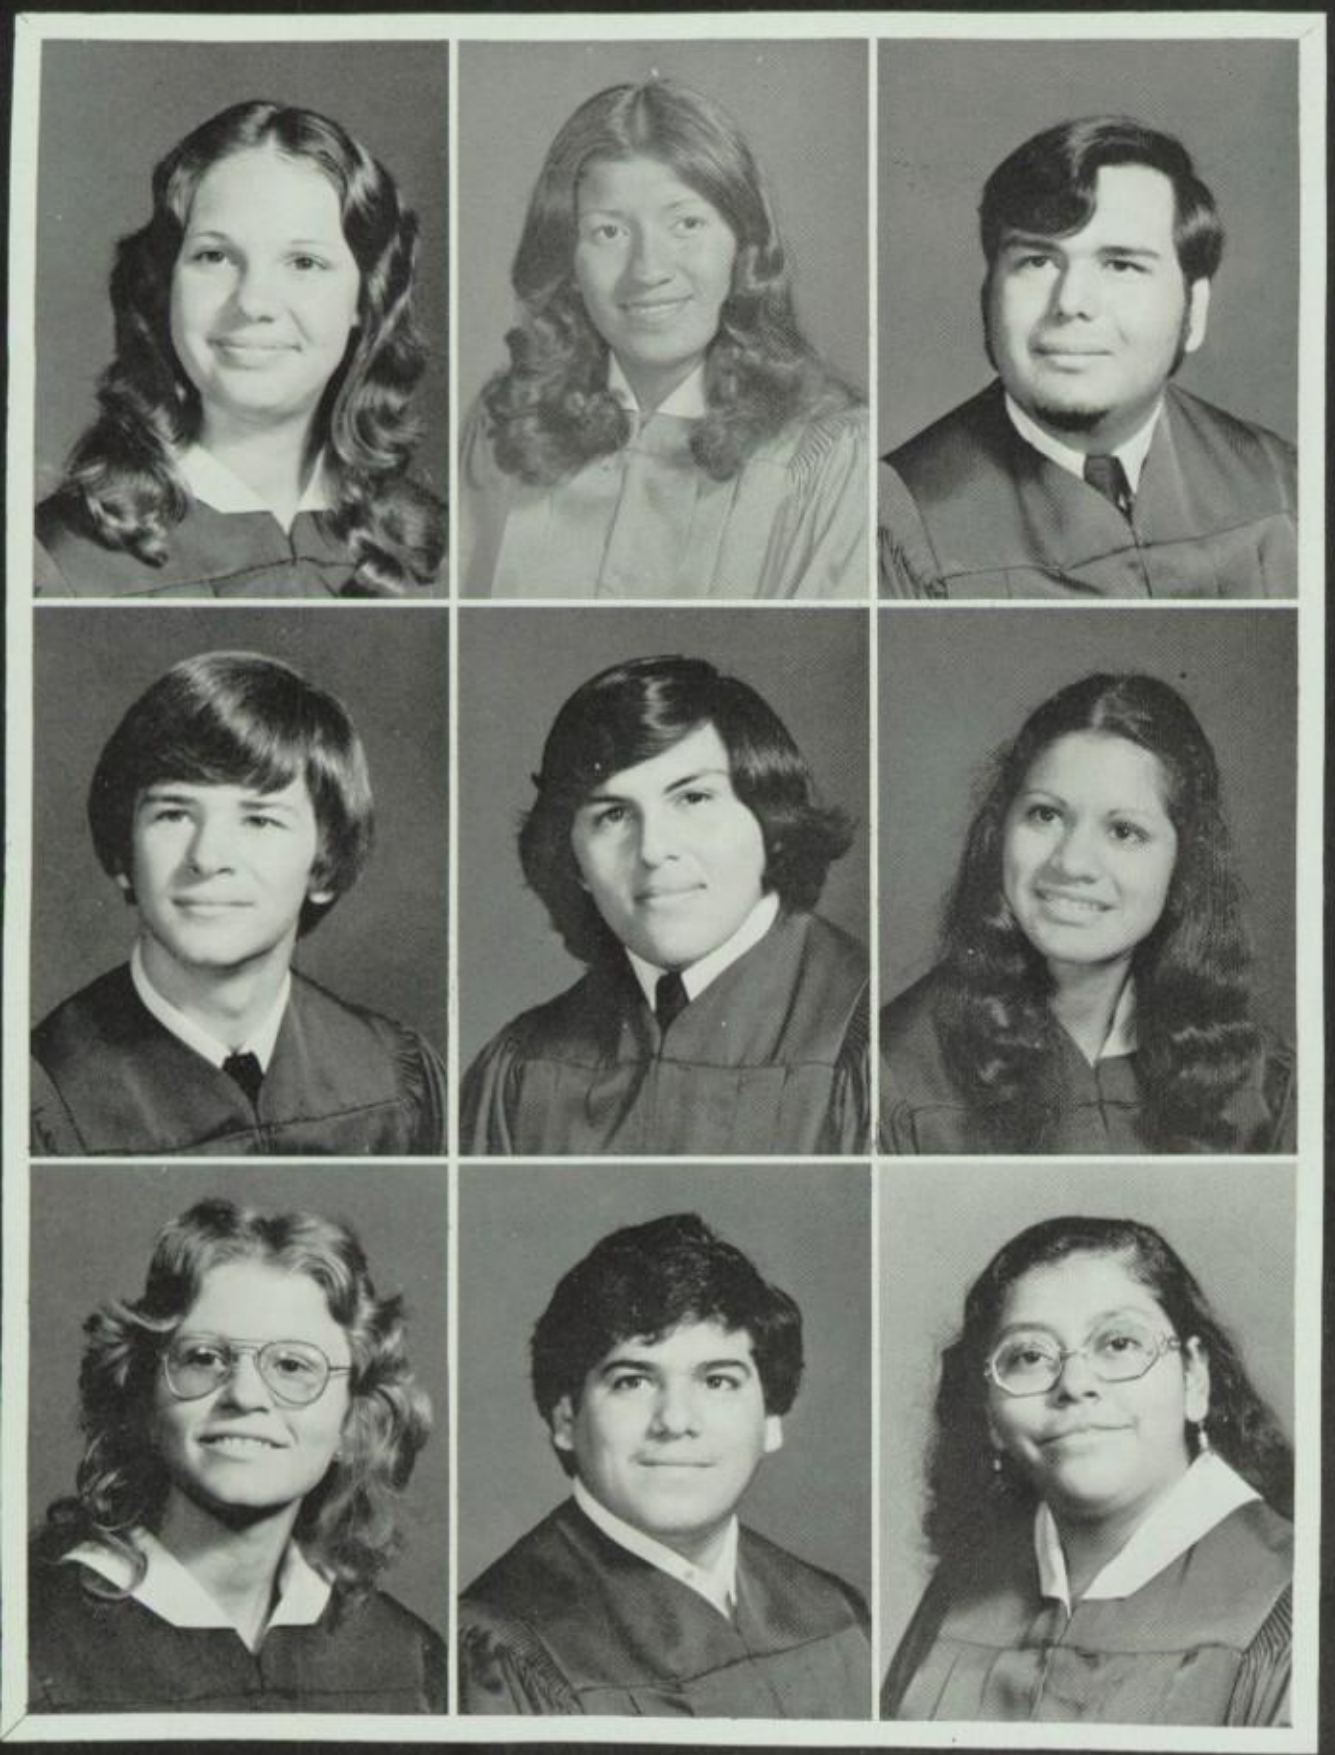
I'll Always Remember the Time that . . .

I got it made in the shade.



The principal believed the story about losing the keys to my truck and taking all day to find them, when I really went surfing. It was a primo that day! *R.L.D.* Mr. Durrenburger let woodshop go to their locker and they didn't come back. *S.C.* The streets weren't torn up. *B.S.* I finally realized what friendship really means. *G.D.* The Coeds gave up their drums and bugles forever. *J.B.* The roaches went on strike, demanding better living conditions. *G.T.* The chemistry experiment blew up towards the teacher while I was holding the test tube. *S.H.* I fell asleep at the red light on Old Galveston Road. *W.D.C.* Our homeroom teacher told us that only 1 out of 3 would graduate. *V.A.* The teacher poured water down my back for sleeping in class. *C.A.* My friend chewed her contact lens in with her gum. *K.W.* Someone streaked at lunch. *L.C.* I got busted. *E.R.C.* Shelburt and I played on the football field at halftime. *S.B.* I told the teacher that she was wrong and . . . she was! *S.M.* My mouth got stuck over a doorknob. *T.M.* A teacher fell asleep during the final exam. *R.W.* I nearly broke my knee kissing a girl. *E.H.* I threw my books in the air when I saw those pickled cats in Biology. *C.M.* Rusty Luckow dressed up like a girl. *K.M.* Norman Joe was driving around the football field and drove right into the fence. *D.B.* I got expelled by Mrs. Smith. *S.B.* Streaking was popular, but everybody was too chicken to do it. *S.C.* I first ate in the cafeteria. *P.M.* Mr. Shelburne almost fell on a banana peel in the cafeteria. *D.P.* I left campus and was caught by a train and wound up 30 minutes late to my 3rd period. Mrs. Jones really got a rise out of that. *S.C.* I met Jesus as my personal Savior and Lord. *P.G.*

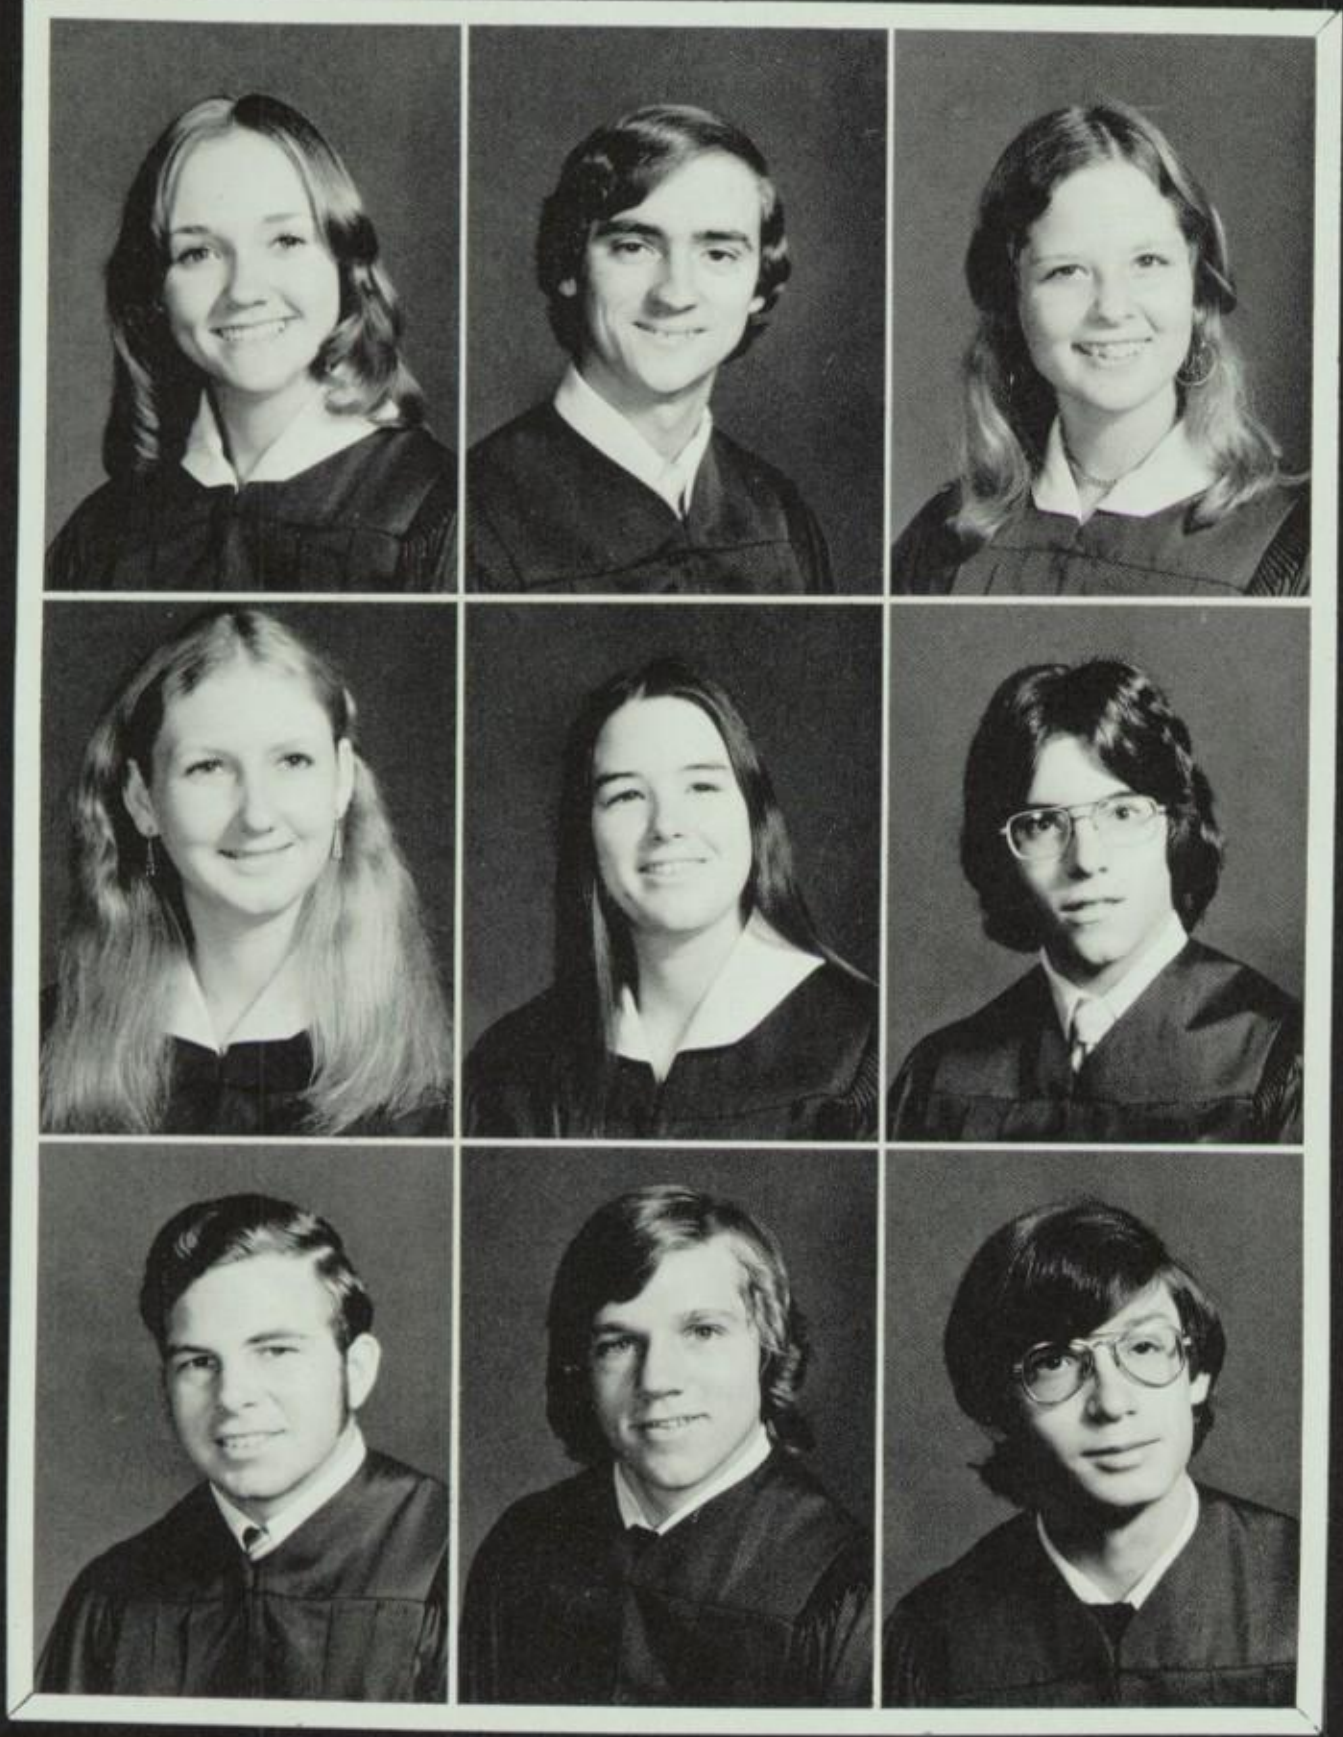
What was the most embarrassing moment in your life?



When my mother showed a picture of me when I was little and I was naked in a swimming pool. *S.B.* The time I went to church with my p.j.'s on. *R.A.* When I sat in a plate of pinto beans in white shorts in front of about 100 people. *K.P.* Getting my car towed away for no reason. *H.A.* When I put my gym shorts on backwards and I went outside. *M.A.* When I was driving down the road staring at a girl and hit a parked car. *M.D.* It is too embarrassing to tell. *M.E.* When I got my clothes stolen in gym. (all of them) *K.L.* Being perfect, I have never been embarrassed. *J.H.* Every time a teacher called on me and I didn't know the answers. *E.F.* Sitting on a bee. *B.R.* When I finally passed a class. *D.B.* When I walked into third period and it was time for second period. *D.B.* When I walked into the boys restroom my sophomore year. *B.R.* When two of the football players pulled my pants off in front of the Coeds. *P.C.* Trying out for the football team and almost getting killed. *A.R.* Being born. *K.H.* When I tackled our own quarterback. *C.M.* When I went through a day of school with my shoes on the wrong feet. *M.A.* When I heard Mr. Balius tell a joke that was funny! *D.T.* When Mr. Kennon (a real estate salesman and teacher who was engaged by my parents to sell our home) said in front of the whole class that he had been in my bedroom. (he didn't bother to explain) *D.P.* When the outhouse door blew open at the band picnic. *T.M.* When I jumped into a swimming pool and my swimsuit top got lost in the pool. *S.M.* When I got sick in a classroom and didn't make it out the door. *S.D.* When she said no! *W.P.* Coming to school on a Saturday. *L.P.* The day the boys in my neighborhood read my diary. *S.H.* When I was taking a date to the football banquet and had a flat on the way. *S.G.*

Meet Charlie Buffalo's cousin.

I'm proud of Milby because . . .

I think it's the best school around and the teachers really care. *A.A.* There is so much room to park. *H.A.* They are finally letting me graduate. *C.J.* Of the things I have learned and the great teachers. *R.A.* Of the great student body. *B.M.* It's the only school in Houston where you don't get less than one and not more than five parking tickets a week. *R.D.* It's a school with a lot of spirit. *R.G.* Of the students putting in the effort to make it better and the teachers who add fun in with the work. *D.C.* It's my school. *E.R.* It's the finest school and has the best students anywhere. *V.A.* We made it no. 1. *B.H.* Of the high academic standards, the great school spirit, and the friendly people. *T.B.* Just about everybody is happy. *M.D.* It hasn't fell apart yet. *E.C.* It brings to me a lot of happy memories. *I.B.* We have so much spirit! We won the juke box (remember). *B.W.* I go there! *P.C.* It's the only school where you can have a good time and not know about it. *D.K.* It has so much parking space. *B.P.* It has shown me that people still care about each other. *A.G.* My grandmother went here. *G.W.* It represents something special! (a bunch of idiots) *B.O.* It's Milby. *L.P.* When I walk these halls of old, I have no fear, because Mr. Brinkley is still here. *A.R.* It taught me what I know. *W.C.* It is the finest school in Houston. *A.R.*

My flower looks wilted.

My favorite thing to do is . . .

To paint brown dots on my nude body and then swim through a crowd saying, "look at me, I'm a speckled trout!" *P.H.* Trying to beat my friends out of a parking space in the mornings. *R.L.D.* Watching the teachers wishing we were dead. *B.R.* What do you think? *T.R.* To drop by Comrad Bellaire's class for a brief chat on the latest communist phenomenon. *K.R.* Sitting in the frozen section of Safeway and playing funeral parlor. *M.M.* Playing in the Buff Band. *T.B.* Smoke pot. *E.T.* Blowing pink bubbles at Mr. Seastrand. *R.M.S.* Ride horses and motorcycles. *B.A.P.* Sleep in class and snore my heart out. *B.P.* Upset smart teachers and not get into trouble. *S.M.* Being around the people I really do care about. *V.M.* Going to the local service station and jumping on the bell. *C.M.* Looking in a mirror. *S.W.* Read the bible, pray, swim and play football. *P.G.* Sit outside and watch the bricks fall out of the building one by one. *K.T.* Nothing, absolutely nothing! *R.M.* Study. I lie. *T.M.* I can't tell. *W.P.* Watch girls. *S.B.* Listen to my Mickey Mouse watch tick out "Yes We Have No Bananas." *T.G.* Play Foosball. *M.P.* If I told you, you wouldn't put it in print. *C.J.* I don't really have a favorite thing to do. As long as I'm doing something with someone who means a lot to me, I enjoy it. *D.P.*

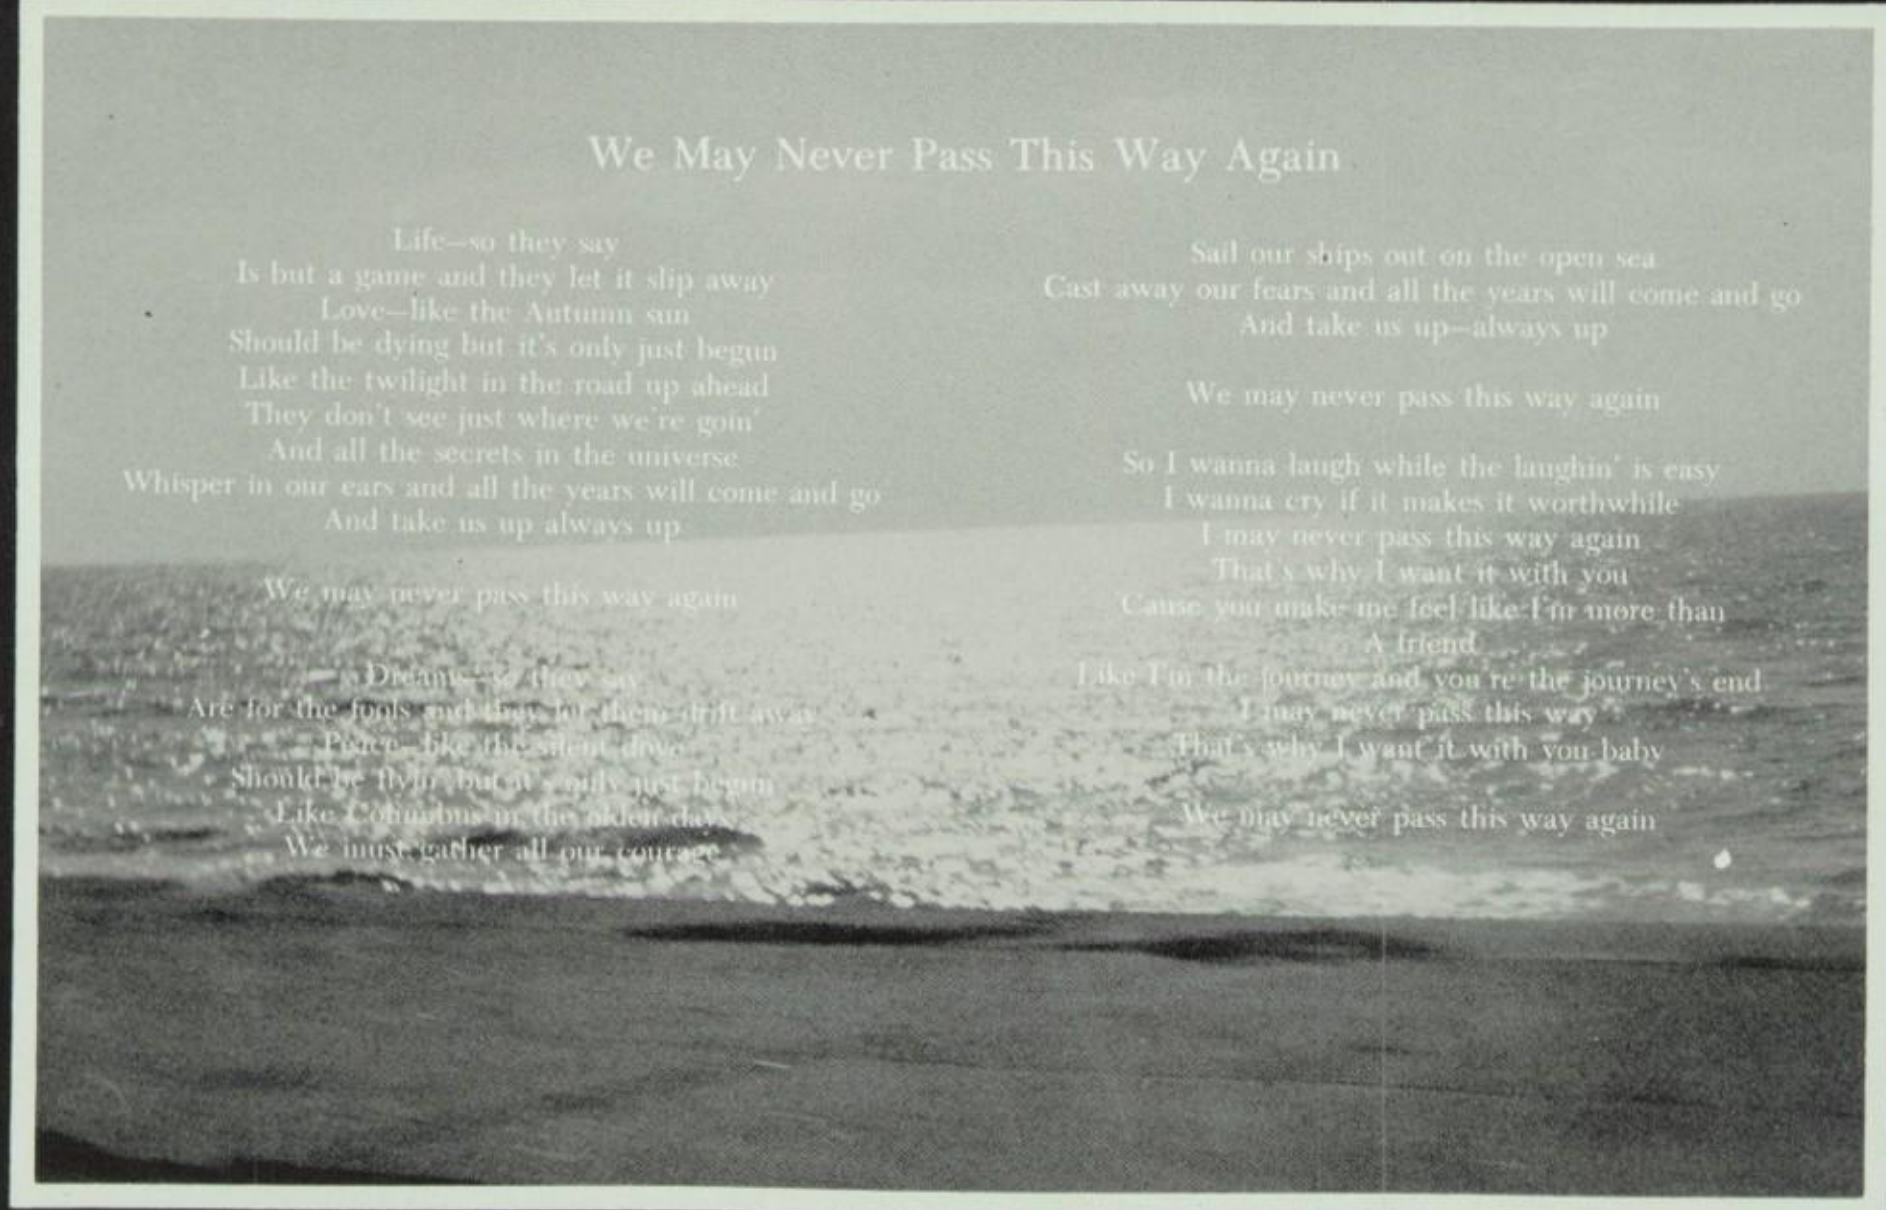
We May Never Pass This Way Again



We May Never Pass This Way Again

Life—so they say
Is but a game and they let it slip away
Love—like the Autumn sun
Should be dying but it's only just begun
Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears and all the years will come and go
And take us up always up

We may never pass this way again

Dreams—so they say
Are for the fools and they let them drift away
Peace—like the silent dove
Should be flyin' but it's only just begun
Like Columbus in the olden days
We must gather all our courage

Sail our ships out on the open sea
Cast away our fears and all the years will come and go
And take us up—always up

We may never pass this way again

So I wanna laugh while the laughin' is easy
I wanna cry if it makes it worthwhile
I may never pass this way again
That's why I want it with you
Cause you make me feel like I'm more than
A friend
Like I'm the journey and you're the journey's end
I may never pass this way
That's why I want it with you baby

We may never pass this way again

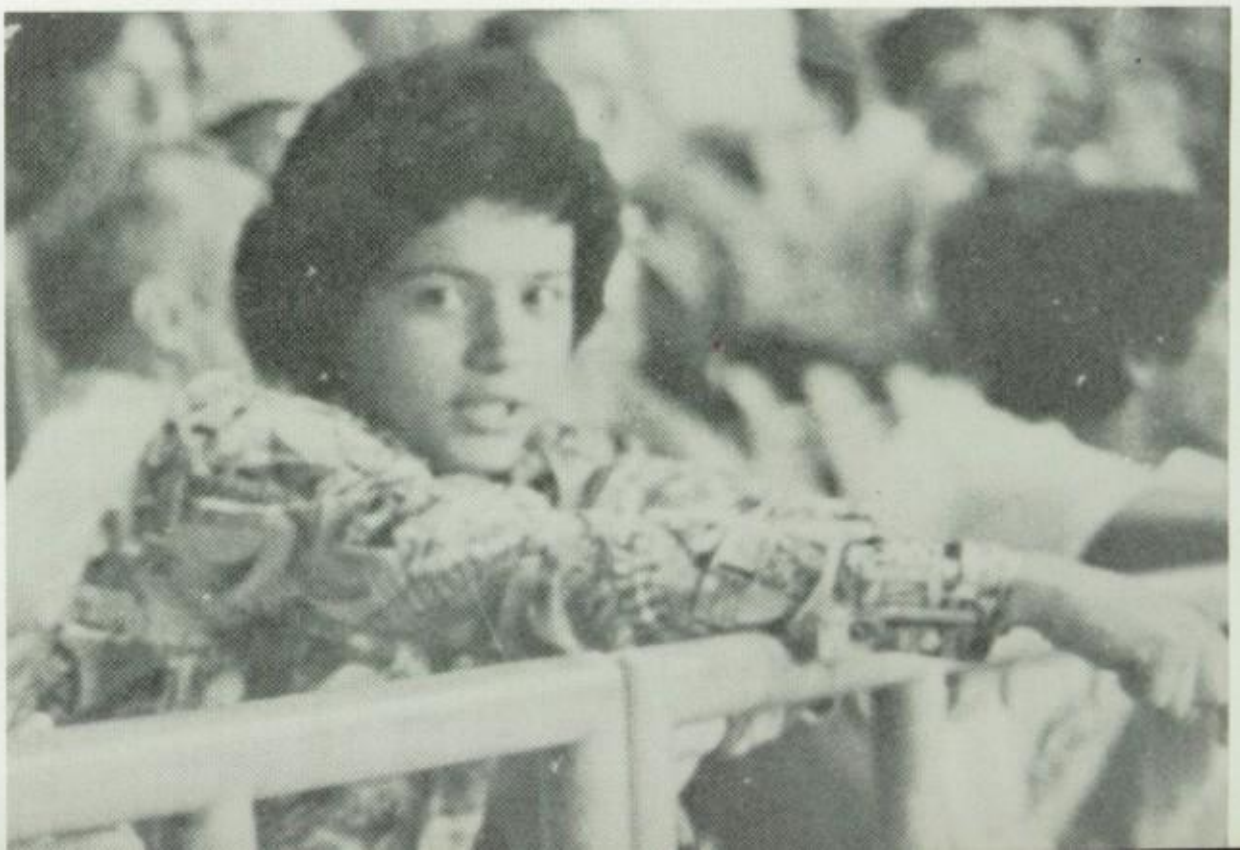
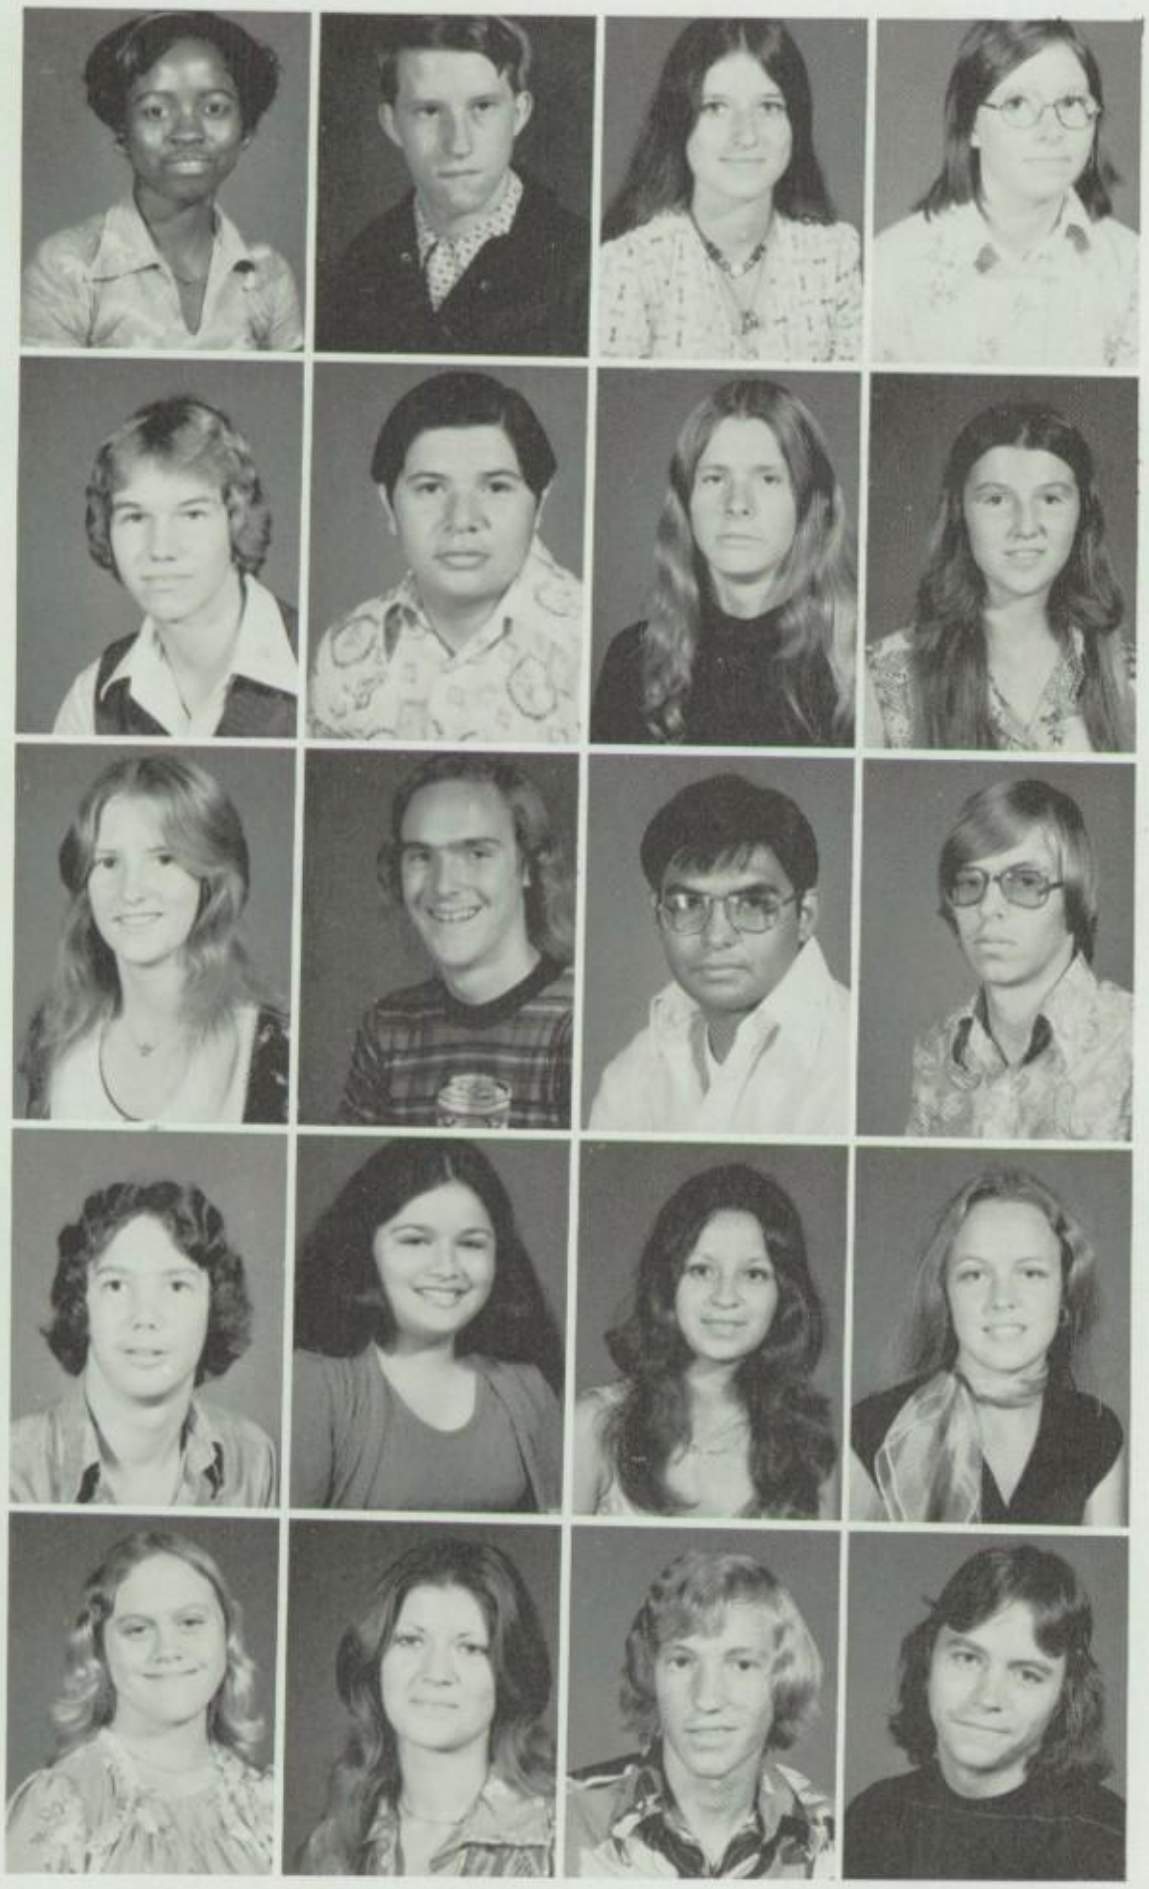
Bachelorette #3, What would you do . . .?



Forget this, let's boogie!



Teachers Just don't Understand when . . .

I told them my homework flew out the window on the way to school. *K.S.* You don't like them. *P.H.* There's a football game that night and you just can't do your homework! *D.S.* You couldn't get your homework done because of a huge fire that happened to burn up your books. *J.D.* When you have your own opinion to express. *C.J.* They catch you with a reefer in your hand, and you try to explain that you were just holding it for a friend. *B.M.* I'm right and they're wrong. *V.V.* Your eyes are closed because you are meditating. *K.R.* My kidney's act up. *K.S.* The rules must be stretched a little. *A.P.* The bell is early and you're late. *S.S.* The night before doesn't *even* want to associate with the day to come. *A.S.* You have a problem and don't have anyone to talk too. *C.G.* You explain you left your book in your locker. *C.N.*

Another G.B.C. not in uniform.

Mr. Cool and the Gang.

Pucker up, Robin.

How have your impressions of Milby changed since your sophomore year?

When I first came here, I looked at the appearance of the school and noticed how ugly and old the building was. But this isn't what counts; it's the people who count and they're fantastic! *C.R.* I have turned into an alcoholic. *J.W.* I feel I play a more important role for Milby. *C.W.* Not much. *T.G.* Last year was good, this year is better, and hopefully next year will be the best. *S.S.* Everyone is more friendly, but the school is full of midgets. *J.G.* Well? Do you really want to know? *S.S.*

Who, me?

Not too big, not too small, but just right. *K.M.* Lousy. P. Well there's not a better middle. *S.S.* Not good enough. *H.L.* Better than the littleman. *D.S.* Squashed. *G.R.* Depends on who's on top! *C.S.* Like a Oreo cookie being pushed from all sides. *A.G.*

It's very good, you get action from both sides. *J.W.* Awful, I'm a girl! *K.M.* Like the peanut butter in "another nutter butter peanut butter sandwich cookie" *G.M.* All the pressure is on the sophomores and seniors . . . juniors are just neutral bystanders. *D.D.* It feels "soft." *M.P.* Like being the slice of bologna in a double decker bologna sandwich. *T.G.*

How have your impressions of Milby changed since your sophomore year?

I see it as a place to make friends, not as a place to make enemies. *S.P.* I don't know I'm new here. *R.H.* The more I am here, the more I am glad to be here. *M.S.* I don't like it, the sophomores act like they are still in Junior High. *M.W.* It seems as if the school and people have matured a lot. It's like all the people make the whole school one big friend. *J.P.* Didn't know I had any. *L.C.*

Homework is like

. . . . . .

An itch in the middle of your back, and you can't reach it. *D.S.* Getting stuck with the hot potatoe. *R.C.* Capitol punishment. *B.L.* Learning and having confidence in yourself. *R.L.* Taking a long walk on a short pier. *G.G.* Candy; the bigger the piece, the more sour the candy. *T.E.* Bringing school home with you. *R.B.* Wanting a car for your sixteenth birthday and not getting it. *B.K.* Peeling potatoes! *L.M.* A pain, but it's easy because I've got study hall. *P.K.* Evil Kneivel jumping cars and running out of gas as soon as he hits the first ramp. *R.K.* The opposite of heaven! *K.D.* Being told Santa Clause isn't coming this year. *J.D.* I don't know; I never do it! *T.D.* Dying; you can't avoid it! *K.D.* A labor ticket; work work, work. *D.T.* Giving your parents one more thing to nag you about. *C.K.* A breeze. *B.T.* Getting drafted at age ten. Climbing a mountain. *R.R.*

I only had one cavity my last check-up.

Debra's at it again.

I dare you to say that again!

So you think Home and Family Living students are sissies, huh?

ONE for the money, TWO for the show . . . . .

Which came first, the chicken or the egg?

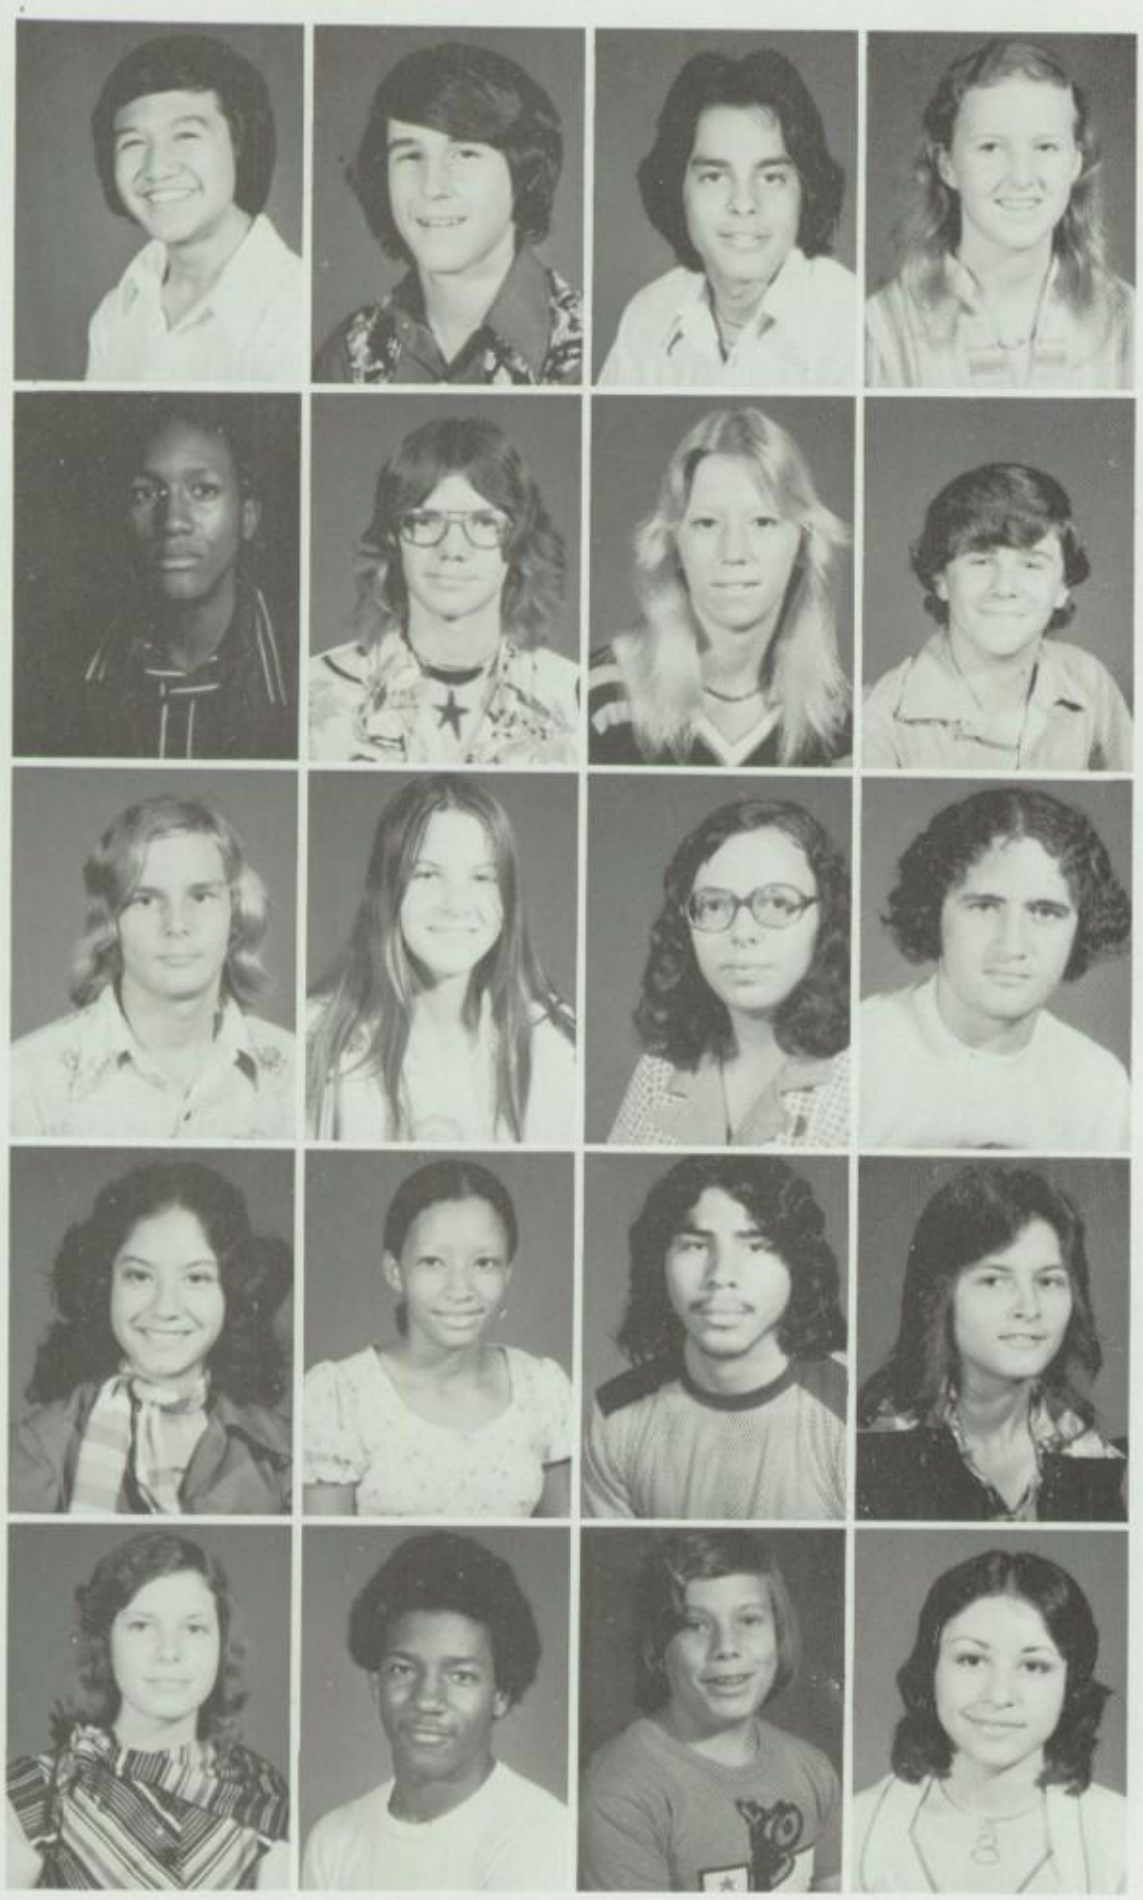
You guys look like nothing but a bunch of yackity school girls.



The first day at Milby is like

A dream come true to get out of Hartman. *M.B.* The dropping of the atom bomb. *C.K.* Heck; you can't find your way around. *R.R.* Losing my mother in a department store. *R.H.* Walking on the freeway looking for a nickel. *J.D.* A mouse in a maze trying to avoid any and all obstacles. *G.F.* Adventuring into a new world. *J.B.* Heaven; compared to other schools. *A.R.* Going to see a doctor, not knowing what will happen next. *R.D.* The Lewis and Clark expedition. *G.G.* Trying to find a needle in a hay stack. *C.F.* Everyone is running around like a chicken with it's head chopped off. *R.H.* The first day without sunshine. *G.G.* Follow the Yellow brick road. *T.B.* Being tall in junior high, and then a munchkin in tenth. *P.G.* The first day I was born; I didn't know where anything was. *R.B.* Diving off the high tower at Glenbrook pool. *R.Q.* Three hundred people in one small room. *B.N.* Eating squash with sugar on it; you hate it; but you can bear it. *C.C.* Going to a carnival. *B.C.* An ant moving to an ant hill after his old one has been run over by a lawn mower. *R.K.* Thousands of ants in an ant maze. *D.W.* Walking through a jungle of ants, wearing maple syrup. *C.R.* Mass confusion. *V.W.* A new experience and challenge. *C.R.* Starting all over in school. *G.M.* Little Bo Peep's lost sheep. Being lost in a tunnel without lights. *K.G.* Alice; when she's in wonderland. *D.N.* The opening of Grand Central Station. *M.E.* Being in a new school. *G.R.* A big change, compared to Jackson. *J.L.*

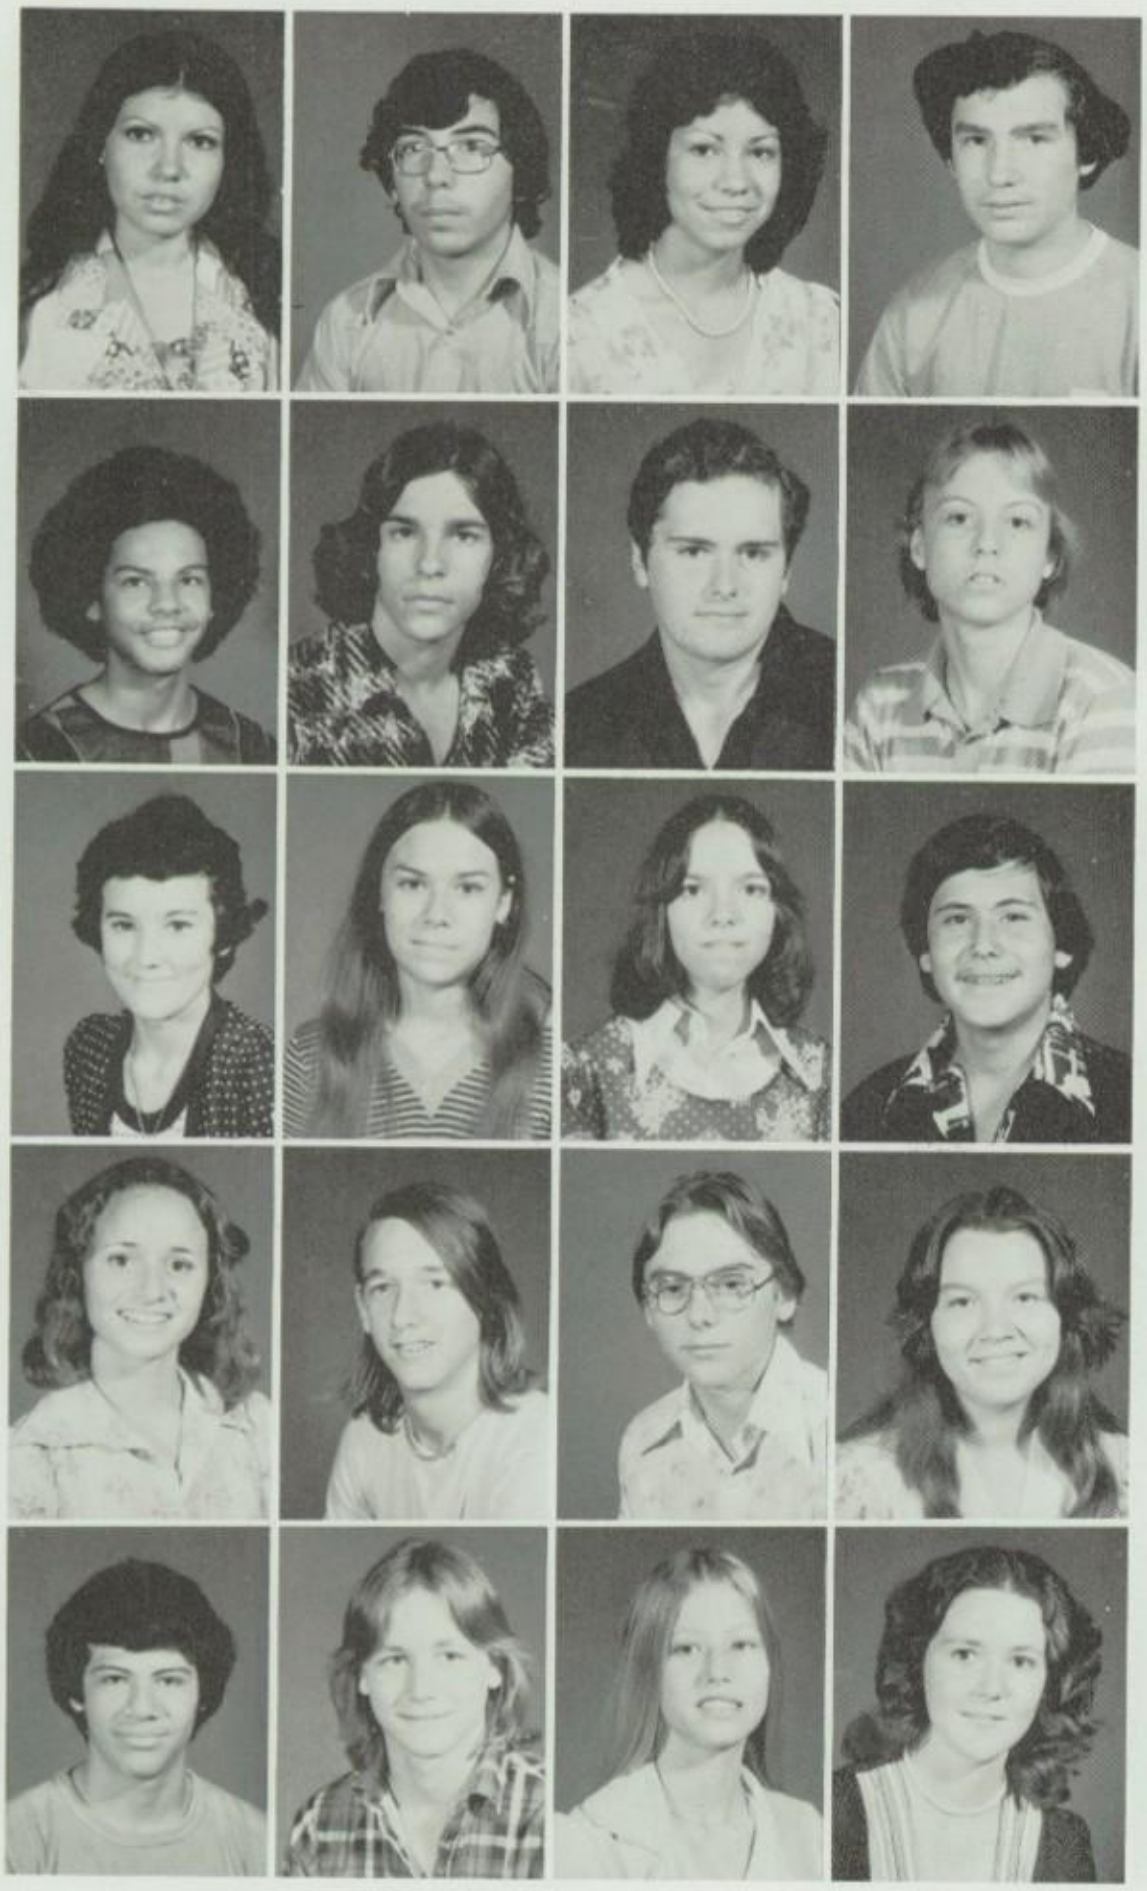
Don't worry I'll be gentle.

Well, it's not exactly a feather mattress.



These are my extra pair of retreads.

Here's mud in your eye.

No Danny, the yearbook is not tax deductable.

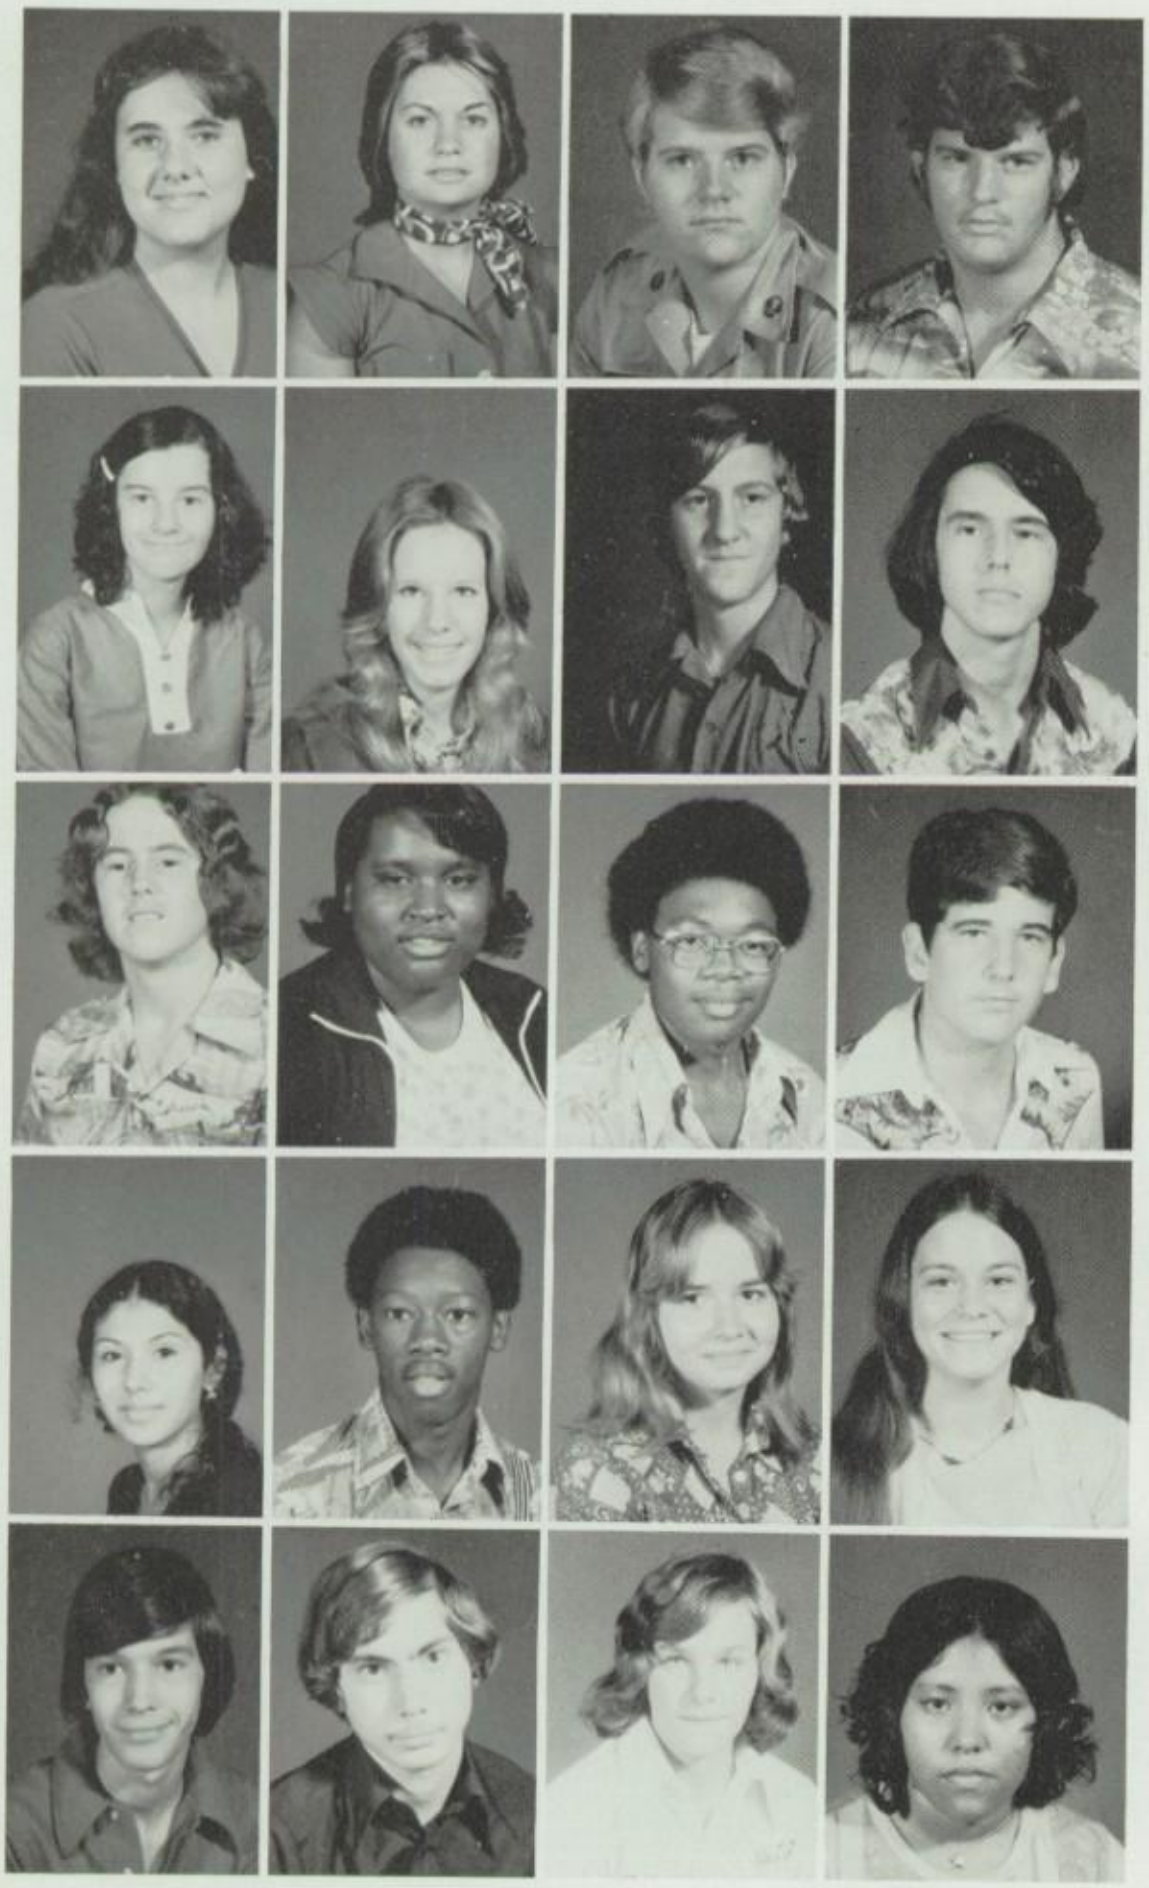
"One of these nights . . ."

Put your little foot . . .



Talking to a teacher is like talking to

. . . . . .

Your mother; when she's mad. *R.R.* Anyone else; until they start filling out a permit to send you to the office. *M.R.* Someone who knows nothing but big words. *C.F.* Nice people. *B.P.* A well educated brick wall. *M.B.* Someone who will listen to your two cents worth. *R.H.* A one-eyed, one-eared, purple people eater. *T.B.* A real friend. *C.F.* A sponge; they soak in only so much. *B.B.* Someone who was a kid. *R.G.* A grown person or friend. *Y.W.* The judge; while he is giving you a death sentence. *C.R.*

Ooooh, I feel just like a sophomore again.

Look! That boy just fell off the balcony.

Wasted day and wasted nights . . .

Don't let the face fool you, actually I'm another Fred Astaire.

All work and no play makes for a dull time, Right Jean?

I knew I shouldn't have used my dog's shampoo.

A one and a two . . .

If you throw one more spitball you'll be sorry.

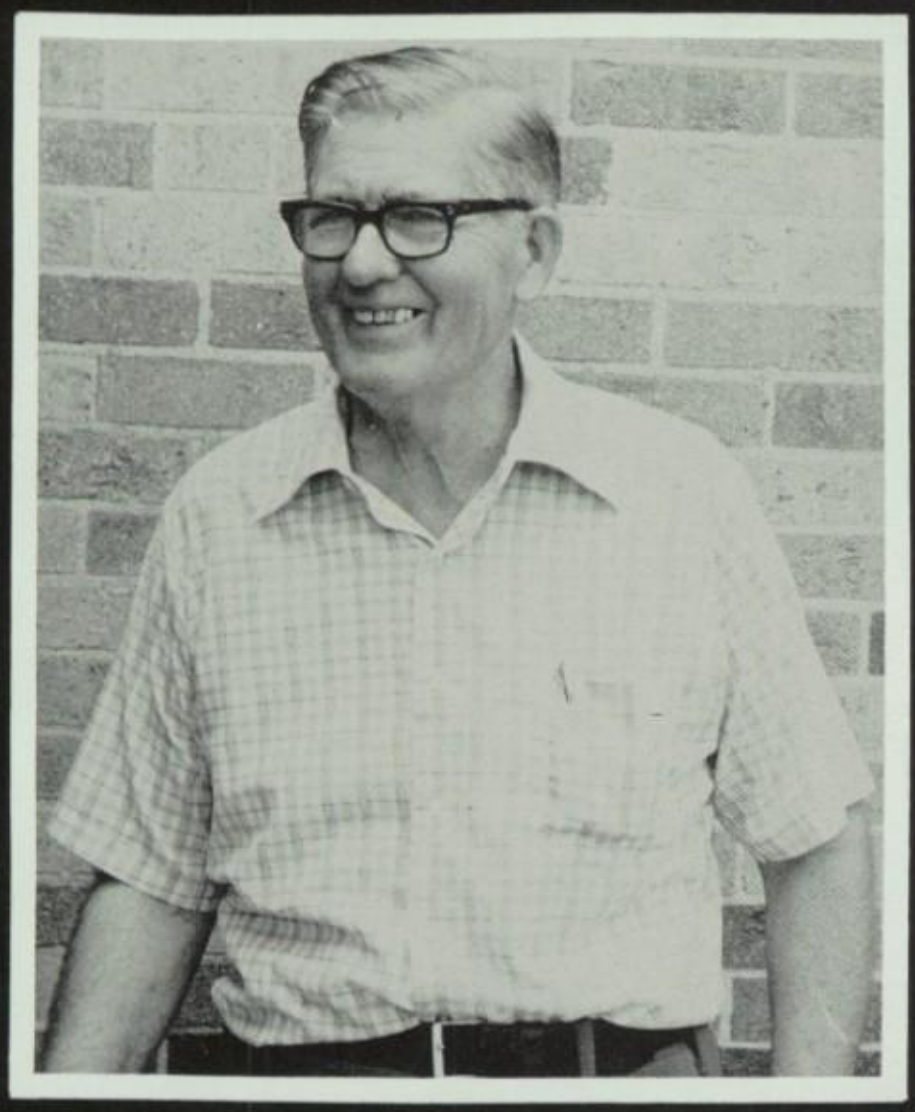
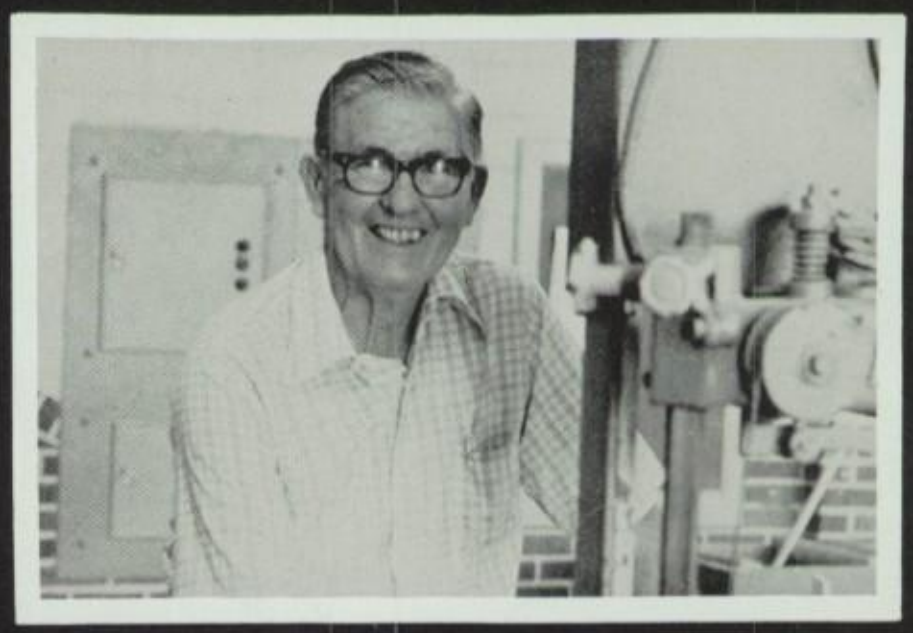
GENERAL AMERICAN LIFE

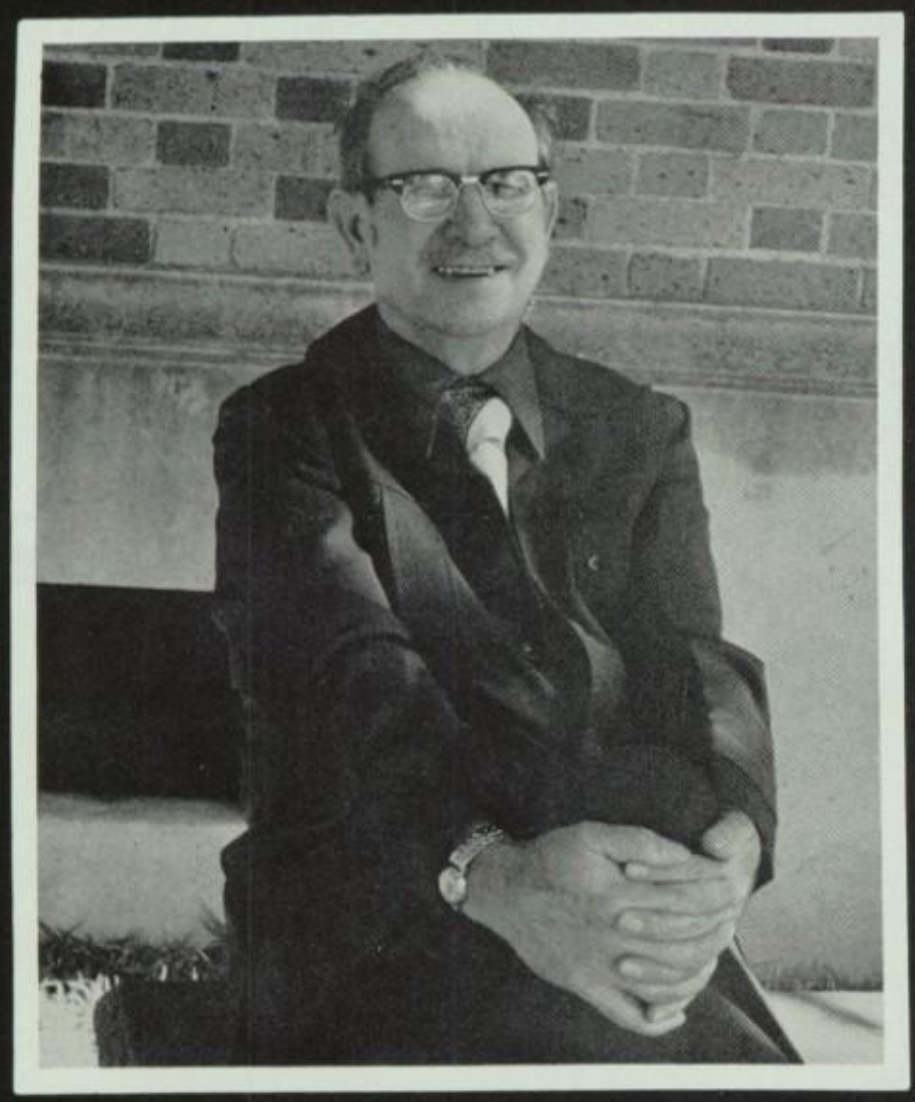
INSURANCE COMPANY ST. LOUIS

In Appreciation of Service



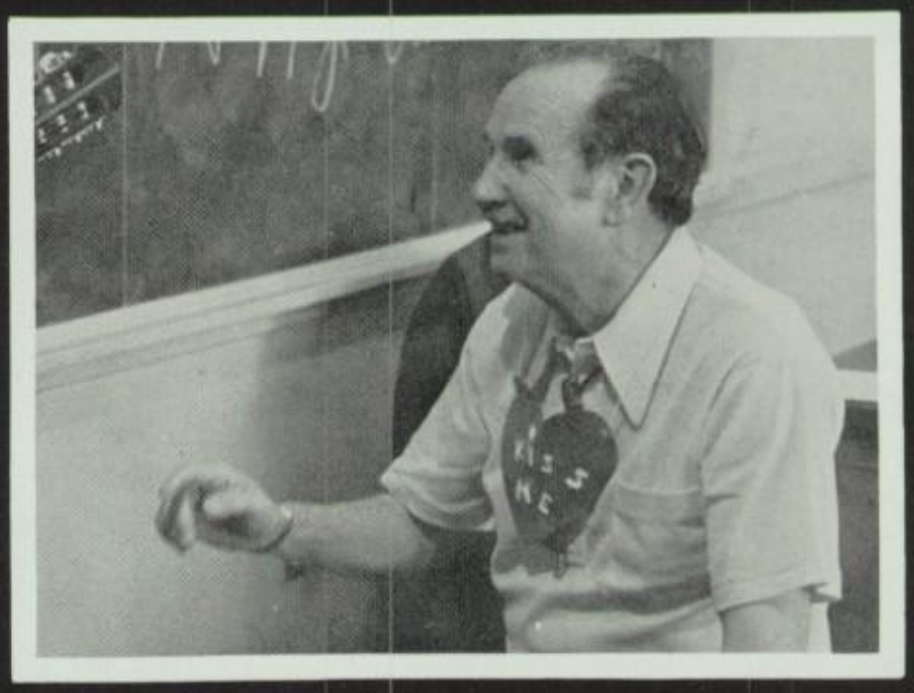
Mr. Herman Fitzgerald, a wood and metal shop teacher at Milby, is retiring this year after 24 years of service to Milby. He graduated from Sam Houston State Training School in Huntsville. Mr. Fitzgerald first taught at the W.T. Logging Camp better known as "Camp Ruby". He then taught at Reagan for one year and later in 1952 he came to teach at Milby. While he was at the logging camp he met and married Venice Puckett in an Indian church in Alabama. When asked about his relationship to the students, Mr. Fitzgerald replied, "I've never seen a kid that I didn't see something good in." He plans to retire at his farm in West Texas.





"I want to see education as common as grass and as free for all as sunshine and rain."

"But the children departed from those schools a little less ignorant than they were when they entered."



After 39 years of constant devotion to Milby, Mr. E.L. Seastrand is retiring. He was born in North Dakota and educated in Colorado and then came to Texas as Milby's band director. Within the next few years, Milby's school spirit made a big impression on him, and he expressed his feelings in the school songs, "Fair Milby" and "Charlie Buffalo". Twenty-four years later, he began teaching an occasional English class and then left the band in 1972 to teach sophomore and junior English. In his spare time, Mr. Seastrand plays in Joe Young's band which is usually booked at Doheys. After retiring he plans to continue playing with the band.

Face The Flag

Face the flag of stars and bars
Of red and white and blue,
A flag that guarantees the rights
For people like me and you.

Face the flag, people! Read what's written there,
The history, the progress, and the heritage we share.
Our flag reflects the past, people, but stands for so much more,
And in this Age of Aquarius, it still flies in the fore.

It leads the forward movement, shared by all mankind,
To learn . . . To love . . . To live with peace of mind;
To learn the mysteries of space, as well as those of earth,
To love each man for what he is, regardless of his birth;
To live without the fear of reprisal for belief;
To ease the tensions of world that cries out for relief.
Face the flag of stars and bars
Of red and white and blue,
A flag that guarantees the rights
For people like me and you.

Face the flag, people! Take a good long look.
What you're seeing now can't be found in a history book.
It's the present and the future, people. It's being written now.
And you're the one to write it, but the flag can show you how.

Do you know what it stands for? What its makers meant?
To think . . . To speak . . . The privilege of dissent;
To think our leaders might be wrong . . . to stand and tell them so.
These are the things that other men under other flags will never know.
But *responsibility* . . . that's the cross that free men must bear,
An if you don't accept that, the freedom isn't there.

Face the flag of stars and bars
Of red and white and blue,
A flag that guarantees the rights
For people like me and you.

Face the flag, people, and face reality.
Our strengths and our freedoms, are based in unity.
The flag is but a symbol, people, of the world's greatest nation.
And as long as it keeps flying, there's cause for celebration.
So do what you've got to do, but always keep in mind
A lot of people believe in peace . . . but there *are* the other kind.
If we want to keep these freedoms, we may have to fight again.
God forbid, but if we do, let's always fight to win,
For the fate of a loser, is futile and it's bare . . .
No love . . . No peace . . . just misery and despair.

Face the flag, people . . . and thank God it's still there.

THE WHITE HOUSE

WASHINGTON

March 18, 1976

We now mark the beginning of our Third Century as an Independent Nation as well as the 200th Anniversary of the American Revolution. For two centuries our Nation has grown, changed and flourished. A diverse people, drawn from all corners of the earth, have joined together to fulfill the promise of democracy.

America's Bicentennial is rich in history and in the promise and potential of the years that lie ahead. It is about the events of our past, our achievements, our traditions, our diversity, our freedoms, our form of government and our continuing commitment to a better life for all Americans. The Bicentennial offers each of us the opportunity to join with our fellow citizens in honoring the past and preparing for the future in communities across the Nation. Thus, in joining together as races, nationalities, and individuals, we also retain and strengthen our traditions, background and personal freedom.

As we lay the cornerstone of America's Third Century, I am most happy to commend the faculty and students of Milby Senior High School, Houston, Texas, on their special issue of "The Buffalo" and other Bicentennial activities. Efforts such as this are helping to make our great national celebration a memorable and meaningful one for all.

Gerald R. Ford

Looking Forward To America's Future

I look forward to a great future for America—a future in which our country will match its military strength with moral strength, its wealth with our wisdom, its power with our purpose.

I look forward to an America which will not be afraid of grace and beauty, which will protect the beauty of our natural environment, which will preserve the great old American houses and squares and parks of our national past, and which will build handsome and balanced cities for our future.

I look forward to an America which will reward achievement in the arts as we reward achievement in business or statecraft.

I look forward to an America which will steadily raise the standards of artistic accomplishment and which will steadily enlarge cultural opportunities for all of our citizens.

I look forward to an America which commands respect throughout the world not only for its strength but for its civilization as well. And I look forward to a world which will be safe for democracy and diversity but a world which will be safe for democracy and diversity but also for personal distinction.

John F. Kennedy

I would like to thank everyone who helped in the production of this yearbook, and most especially; Mr. Barnett, Paragon representative; Mr. Brinkley, my principal; Mrs. Stephens, Yearbook advisor; Teachers and Students at Milby; and my family, I love you all.

I would like to express my sincere gratitude to my left-hand crew who were really great. I would like to thank:

Julie for finally finishing the index in three weeks because it should have been finished in a week and a half.

Sharon for loosing half of the index that had already been typed.

Susie for learning more at Yearbook Camp than just about the Yearbook.

Nancy for finally learning how to draw a layout without a mistake in it.

Kelly for knowing so much about sports.

Kenny for going to Washington during the deadline week.

Michelle for taking some of Paula's pictures and using them in the Senior section.

Mary for her continual supply of gossip.

Pam for pretending to know what was going on.

Lori for taking all the pictures and leaving Wayne and Tia without any.

Tia for being so alert while indexing.

Wayne for his dead humor.

Phillip for finally learning how to develop film.

Kieke for always checking in with his Mommy at noon everyday.

Terry who would rather rip off food than rip out film.

Marsha for kicking the photographers out of the dark room into the staff area. We really appreciated it.

Mrs. Stephens who kept assuring us that this was our Yearbook.

Steve Stone, our Organization photographer, for always being on the telephone when we needed him.

The Entire Staff for knowing the alphabet like the letter "t" comes before the letter "r."

Paula Madden
Editor-in-Chief

The Yearbook Staff would like to express some of their more memorable experiences amongst themselves.

Julie would like to thank Paula for screwing up the typewriter everytime she got to the finishing point on a type sheet. She would also like to thank Sharon for not going to Yearbook Camp and having the staff teach her all she needed to know.

Sharon would like to thank Julie for being so patient while working on the index.

Marsha would like to thank Kieke for the miraculous recovery his camera made after Kalidescope. She feels that it probably would have been better for all of us had his camera stayed ill.

Susie would like to thank Kenny, Kelly, and Wayne for holding dance lessons during class. She would also like to thank Mrs. Stephens for saying "You could move this picture out, and bleed this one, and let's change this headline, well Susie maybe you better just start over."

Tia would like to thank the entire staff for the uncanny ability of stepping on each others' toes while laughing.

Mary and Tia would like to thank Kelly for turning our Day Care Nursery into a Dog Pound.

Wayne and Kelly would like to thank Mary for her recount of Blazing Saddles.

Wayne would like to thank Lori for the many hours of counseling.

Kenny would like to thank Tia for all the battle scars she gave him. He thinks her hands should be classed as deadly weapons. He would also like to thank Mary for all the new names she gave him.

Phillip would like to thank Master Stephens for the lessons on mass production, even though he doesn't plan on meeting deadlines for the rest of his life.

Mrs. Stephens would like to sincerely thank the entire staff for their relentless and successful job in trying to produce the best book Milby has had and we all hope the students will enjoy and appreciate this special issue of the 1976 Buffalo.
